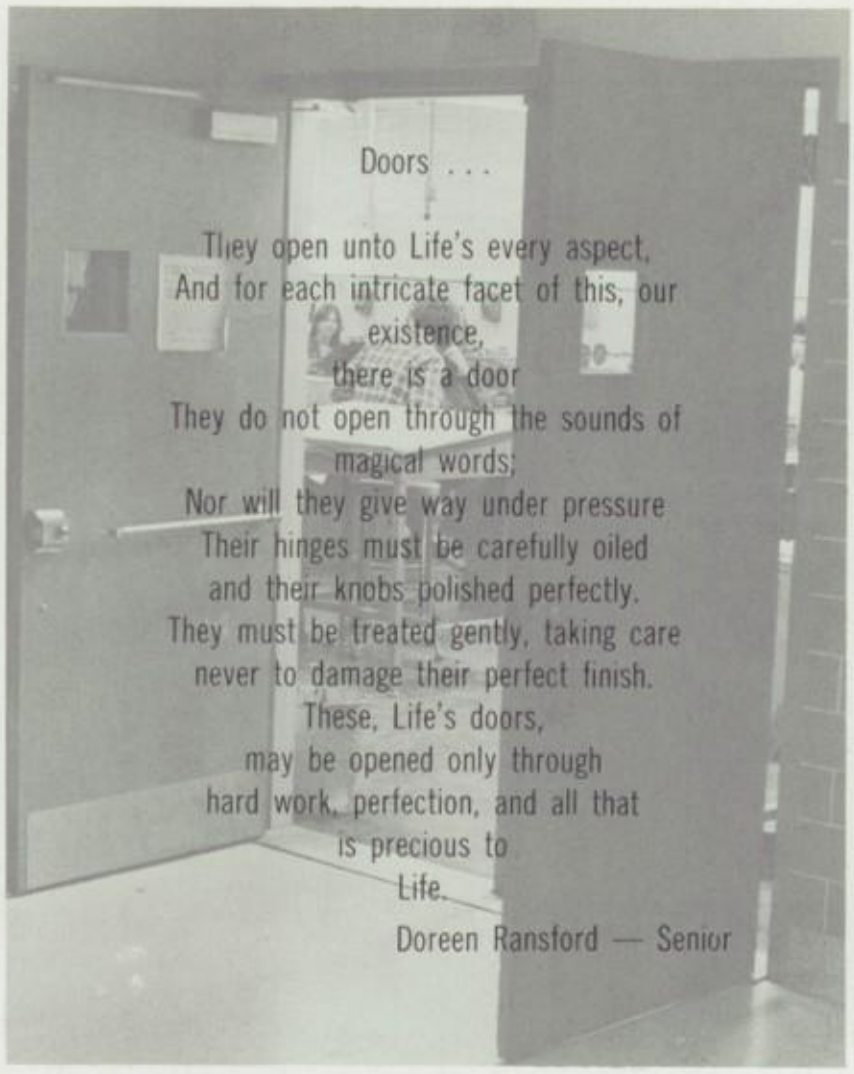
Doors Around The School



Doors . . .

They open unto Life's every aspect.
And for each intricate facet of this, our existence,
there is a door
They do not open through the sounds of magical words;
Nor will they give way under pressure
Their hinges must be carefully oiled
and their knobs polished perfectly.
They must be treated gently, taking care
never to damage their perfect finish.
These, Life's doors,
may be opened only through
hard work, perfection, and all that
is precious to
Life.

Doors of Homes

Home life is important to the lives of students. Often times, school activities are carried on outside of the building in the students' homes. 1111 McDonald, the home of twin seniors, Danny and Debbie Wisbon, is the site of many parties during football season. Over the years, Mat Maids meetings were held at the Lairs'. Freshman Class President Leann Lair also had float meetings at 306 Crawford. Plans for the first place Homecoming float were made behind the closed doors of Laura Lewis' home at 2181 Castlewood and her garage was used for building it. 1038 Olson is the place of residence of teacher Mrs. Margaret Rabideau and her sophomore son, Greg.

STUDENT LIFE

Doors Close — Activities Stop

The last bell rang at 3:20. The halls were crowded with people hurrying to their lockers. 22-10-2. The locker was opened and closed for the last time. The doors were locked and the school was left empty for one month. The building, once full of activity, was left idle.

The school levy had failed and 58,000 students remained out of school from December 3rd to January 3rd. "I would have rather graduated earlier in June than having the month off," Senior Anne Becker commented. "I think most of the teachers were really depressed because of the uncertainty of school programs and finances," teacher Margaret Rabideau said. "It was hard to get back into the swing of things after that long of a time away from school," Junior Laurie Turner said.

Once again the first bell rang at 8:00 on January 3rd and everyone hurried to his classes.

Team members relax before their next time to run.

On September 17, 1976, a 24-hour marathon was held on Start High School's track. Runners gathered patrons to pledge money for each mile completed with profits totalling 500 dollars. This money was used for uniforms, equipment, and miscellaneous expenses. Senior Dave Brier lead all runners with 22 miles.

"It was a long, long day but it had its good points like getting the money for a trip next year," junior Todd Labonte commented.

"We've Only Just Begun" was the theme for the 1976 Senior Prom held on May 22. The setting for the prom was the Student Union on the Scott Park Campus of the University of Toledo. 1976 Commencement

The class of 1976 held their graduation ceremony at the Toledo University Field House. The event took place on a very humid June 10. Judge George N. Kiroff delivered the Baccalaureate Address. The valedictorian was Kathleen Kridel. Nancy Binkelman was the salutatorian and also closed the ceremonies with a Benediction. There were three honor students: Vivian Anderson, Cynthia Siesielski, and Elaine Stewart. Barbara Banghoff and Karen Miller put much time and effort into planning the ceremonies as committee chairmen. The senior class advisers were Mrs. Diana Hancock and Mr. Jared Bushong.

November 6th had finally arrived! It seemed like months since Shawn had asked Beth to the Homecoming Dance. The whole day was filled with excitement. They went to see the parade in which the Junior Class float took first place. With the theme "Send in the Clowns," a lion, a horse, and many clowns were the main attractions.

The stadium was filled early as everyone was anxious to see which girl would reign as Homecoming queen. Beth and Shawn found their seats just as it was announced that senior Heidi Wainscott had been chosen as queen. In the stands, emotions ran high as everyone talked about the upcoming dance. Beth hoped her mother had finished hemming her dress and Shawn was thinking about getting Beth's corsage. On the field, emotions also ran high as the Spartans juggled the Macmen to a 21-8 victory.

This fantastic day was completed as Beth and Shawn walked through the doors of the dance to the music of The Other Hall.

Did you ever wonder how Start originated the tradition of having a heroic Spartan gallantly enter the gymnasium at Varsity Basketball games? The idea for a Spartan was formed when Tom Hickman, then Varsity Basketball coach, visited Lima Senior High School and saw that they had a Spartan at their basketball games.

He took the idea back to Start where the Quill and Dagger Society made it into a reality. Spirited members designed the powerful Spartan's garb and armed him with shield and sword.

Start's original Spartan was Mike Bochnovich who reigned over the 67-68 basketball season. This tradition has been carried out every year since then with the student body voting for a senior to be Spartan.

For the 76-77 basketball season, senior Dan Wisbon made a very impressive Spartan. Long Live the Spartan!

Watermelon Day

Each summer, the cheerleaders sponsor the traditional Watermelon Day for the football players. This year it was held on an exceptionally hot day in the stadium area and the team really appreciated the break after a tiring double session.

"There all different kinds of people and personalities and you can learn from all of them," Freshman Ted Koinis stated. Beginning on the first morning of your freshman year through your last day as a senior you have unlimited experiences. Friendship is one way of learning how to relate and accept others. Emotions ran high during football season and everyone got pysched up for the games. The day of the game started out with a pep assembly to get students and faculty interested in attending the game. Through the doors of the gym came strains of rousing music and the sounds of cheers. Decorated cars took fans to the stadium and the game began with crowded stands. "When you come out to the field for a game, the crowd is an inspiration. Fans are really an emotional boost," said Varsity football player Duane Abbajay.

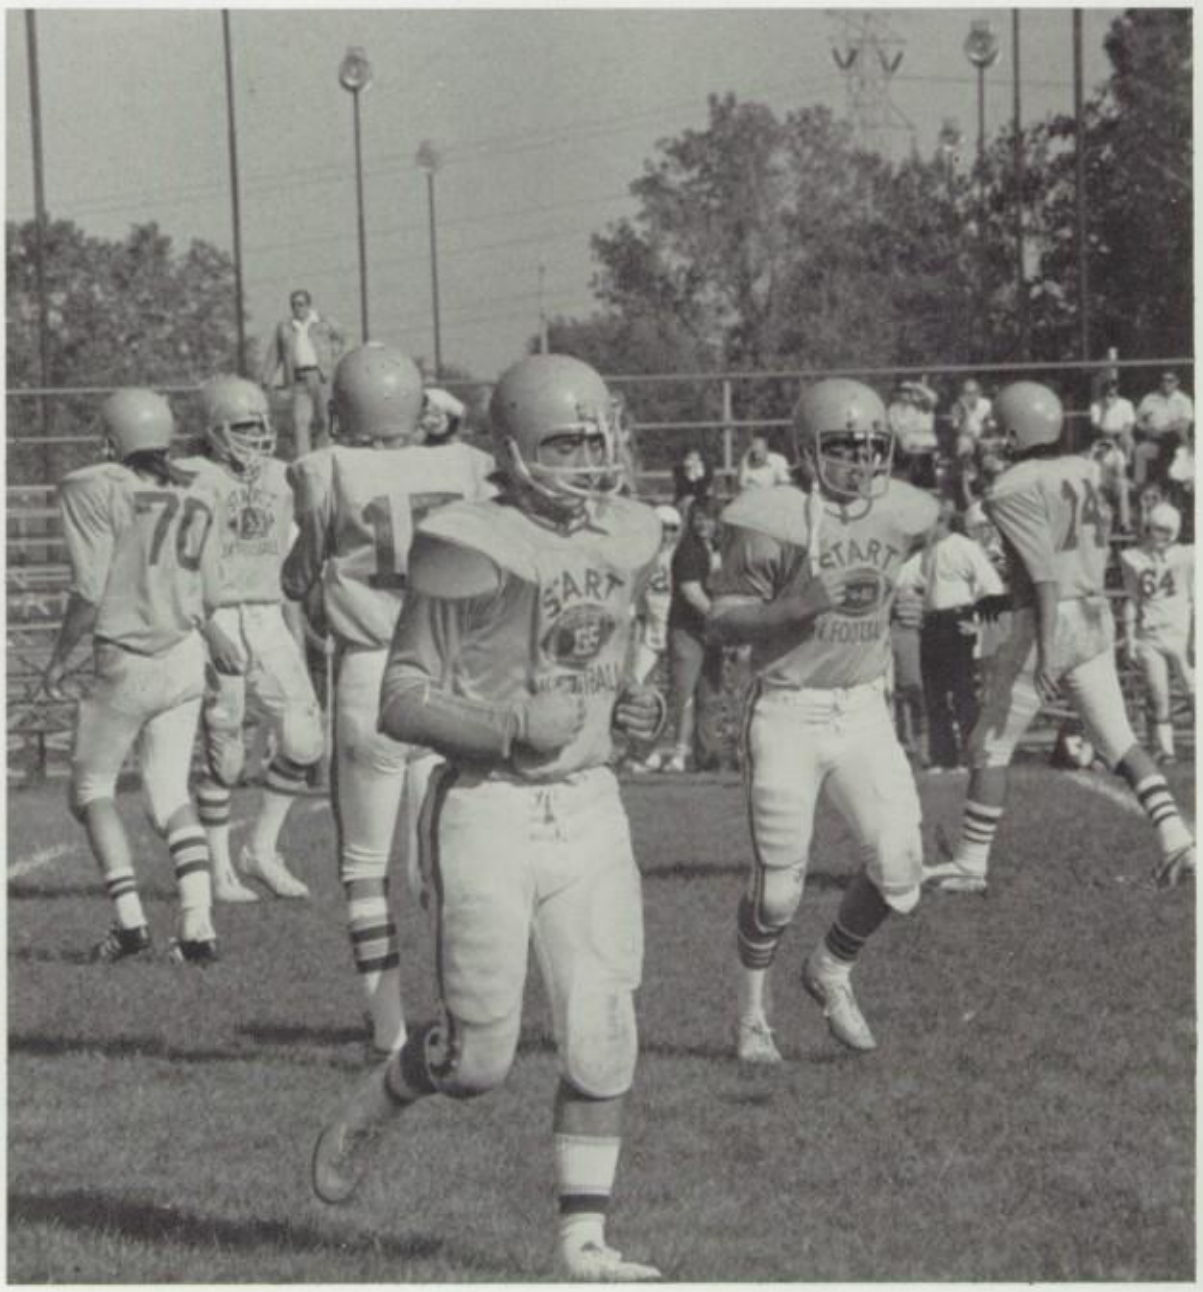
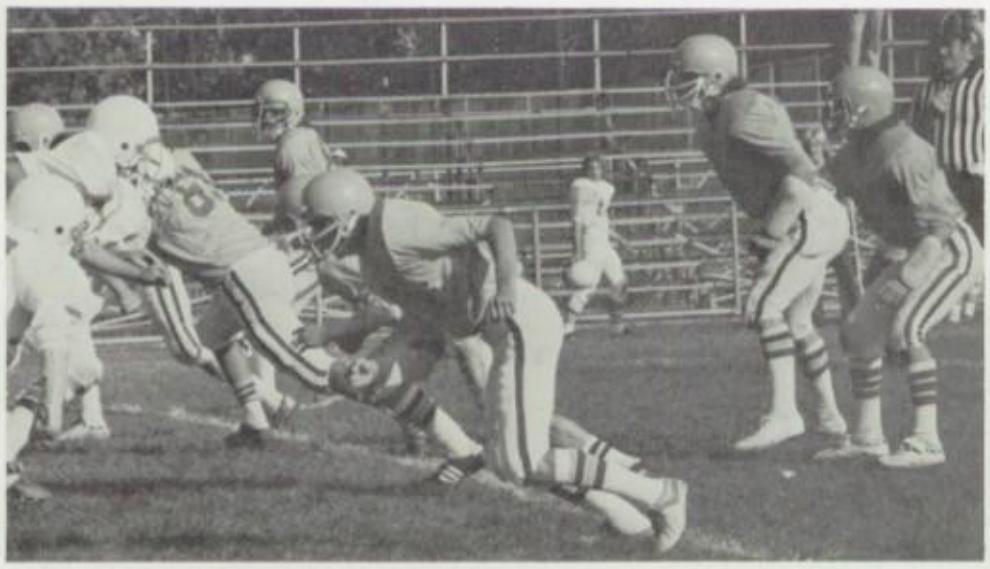
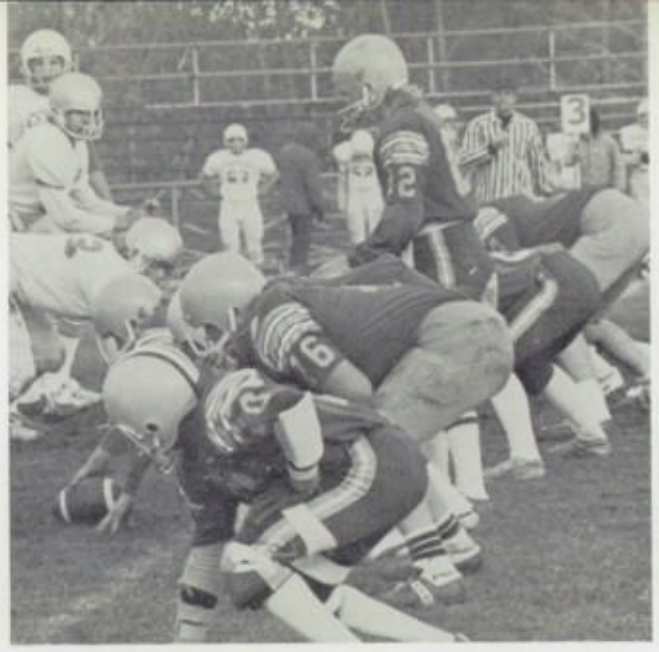
J.V.'s Have Another Winning Season

The Junior Varsity team kept up its winning ways at Start this year with a fine 5-3 record. A powerful 22-7 victory over Macomber and an 8-6 win over Scott added to the overall excitement of a fantastic season.







Newly appointed freshman coaches Jerry Anthony and Chris LaZette led their team to a 4-3 record. Many members of the squad showed much potential and promise for their next three years at Start. A 14-7 win over Woodward and a 21-0 thrashing of Scott were two big boosts for the team.

First The Whistle . . .

Worn out shoes, pulled muscles, and aching bodies were all a reality for the 22 members of the Varsity and J.V. Cross Country team. The harriers suffered through long hard hours of practice that were composed of warm-ups, sprints, distances, and relays.

An innovation for the squad was the addition of girl teammates. "It was fun. At first the guys didn't think we could do it. Finally they paid attention to us because we were winning. The meets were scary but the coach gave us a lot of encouragement," sophomore runner Debbie Breier said.

Many miles were covered on the new Collins Park course where the meets were held. Tension and determination pushed the team to a 7-7 record, placing them 7th in the City League.

Doug Hall was chosen Most Valuable Player and the Scholastic Award was received by Dave Breier.

"Rain, rain, go away, come again after our season is over." This was the wish of the seven members of the Girls' Varsity Tennis team. Their wish didn't come true, however. Because of the bad weather, many matches had to be cancelled and then the girls had to play as many as four matches a week. Twelve new, lighted tennis courts were constructed behind Start's football stadium which made team practices much more convenient. The team placed sixth in the City League. Carol Bunge and Jan Auwaerter received Honorable Mention All City. M.V.P. and Scholastic Award both went to Robin Whitney.

Senior C. Kunkel

Many hours of perfecting the required routines for summer cheerleading clinic were put in by the Varsity girls. They attended a United States Cheerleaders Association Camps All American session conducted at Ohio State University in late July. Preparation for camp began shortly after tryouts in April and built up to double sessions during the summer as the time drew nearer. In addition to practice, they held car washes and sold household cleaning products to help defray the expenses. All the effort was worth it as they brought home several awards. Money was raised for new pompoms by holding a one-day cheerleading clinic for grade school girls over the summer. Face-off

The 1977 Start Varsity Hockey team outmaneuvered, outclassed, and outwitted many opponents to achieve a successful record during a hard fought season. Tam O'Shanter and the Ice House were the sites of the Spartan icers grueling games. In their second season the team attracted a large following of fans. They cheered the team on to a 7-10-2 record. Bill Mohr, Tony Slaven, and Bob McCloud were the sources of much excitement because each scored a hat trick. Pat McDaniels, the team's adviser, was impressed and pleased by the team's performance.

Rebound

A loss in double-overtime to DeVilbiss plus a near win against Scott, eventual city champions, kept the Varsity Basketball team out of contention in the city league. The amount of determination put out by the team was a reflection of Coach Robert Pawlak's talents. These skills were evident in the game against Waite when the team came from a 12 point deficit to a 22 point victory.

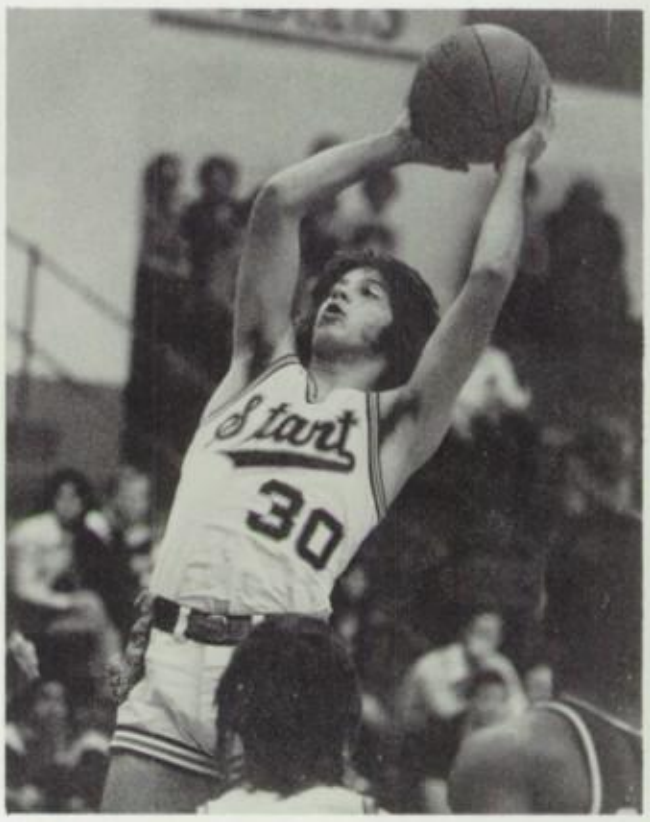
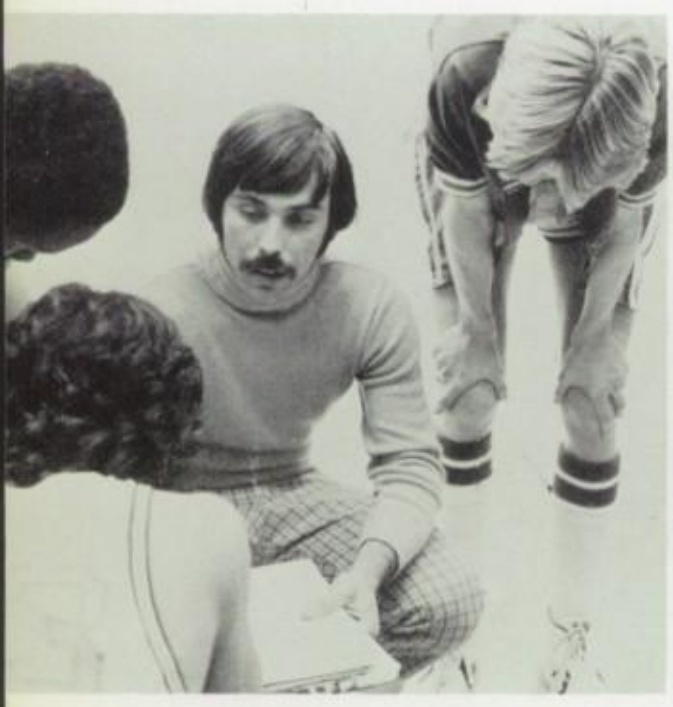
Jump Ball

A 55-29 victory over Waite and a 51-32 triumph of Swanton were two magic moments of the Junior Varsity Basketball season. A record of 8-8 was a vast improvement over their record as freshmen. Coach Arbinger was all smiles.

BOTTOM ROW: J. Newell, J. Ventresca, T. Restivo, D. Rogers, J. Baker. **TOP ROW:** B. Boddy, D. Petty, J. Jones, J. McNeal, **COACH** R. Arbinger.



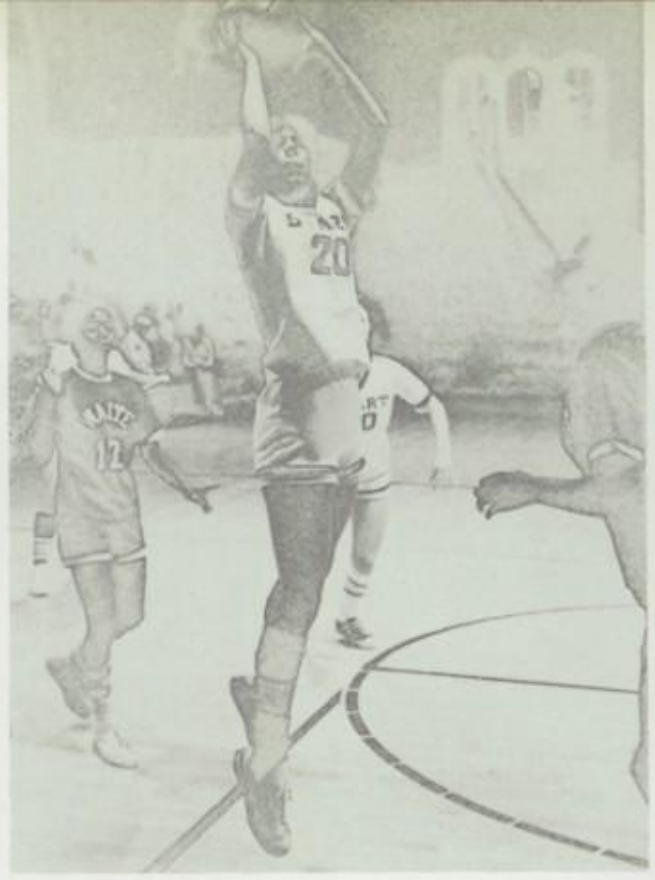


BOTTOM ROW: R. Trenchik, M. Cannon, N. Silberhorn, N. Meadows, T. Walker, J. Grunberg, F. Mangotic. **TOP ROW:** J. O'Bryant, J. Ballmer, T. Koinis, J. Ortman, J. Pilewski, T. Legree, J. Fockler, J. Saner, **COACH** P. Brzozka.

Swish

Coach Paul Brzozka's Freshman Basketball team had the true Spartan spirit on the court. The new recruits ended up with an 8-8 record with many exciting contests. Anthony Wayne fell victim to the young hot shooters 46-19. The team had the determination and talent needed for success.

Shoot Two



L. Lewis — Hon. Men. All City

BOTTOM ROW: N. Nichols, C. McKimm, L. Lewis, K. Kihman, D. Lipper, M. Stachurs. **TOP ROW:** K. Jakubowski, D. Waddington, H. Monk, C. Lipper, A. Fockler, K. Keune, B. James, **COACH** D. Kroggel.

M. Siler — Hon. Men. All City

K. Jakubowski — 2nd. Team All City

N. Nichols — 1st Team All City

The Golden Girls Varsity Basketball team, led by four-year letter winners Nancy Nichols and Kelly Jakubowski, compiled a 5-6 city league record. The team had an excellent defensive average of four points per loss because of the strategic coaching of Coach Darryl Kroggel. The offensive attack was led by Nancy Nichols with a 19 point average while Kelly Jakubowski dominated the boards with ten rebounds per game. High points during the season were a 51-43 victory over DeVilbiss and a 44-42 overtime loss to city champions Central Catholic.

BOTTOM ROW: B. Link, C. Harloff, M. Nottage. **ROW TWO:** S. Ball, L. Wilkins, B. Turner, S. Frosch. **TOP ROW:** Mr. Rice, **ADV.;** R. Ruckreigle, L. Reyes, S. Allis, S. Palecki, J. Shea, M. Frazee, M. Lawson, J. Nungester.

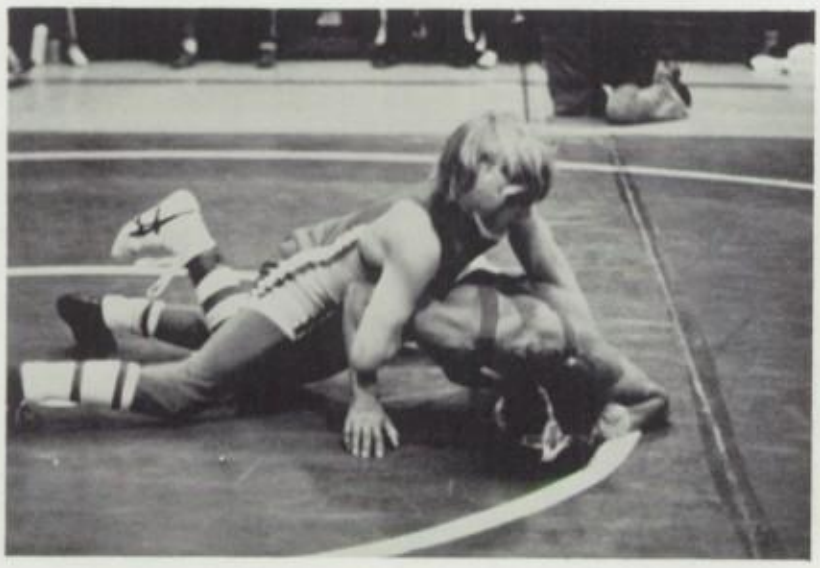
Strike/Spare

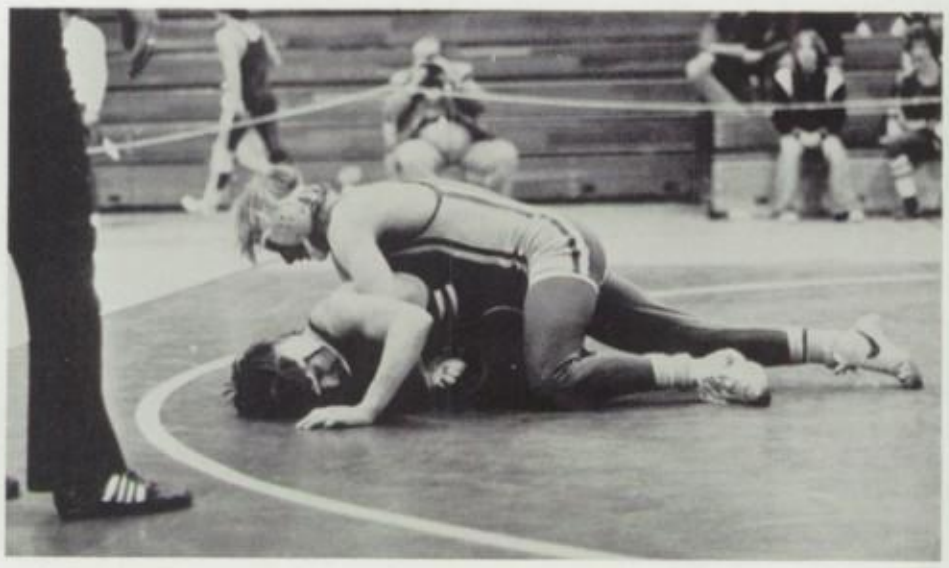
Members of the bowling team began each Saturday by heading out to Imperial Lanes with their bowling balls, bags, and shoes to represent Start on the lanes. There were two leagues: the National, composed of bowlers with an average of 150 or higher, and the American, made up of players with an average below 150. The Spartans formed four teams and they rolled their way to a triumphant season.

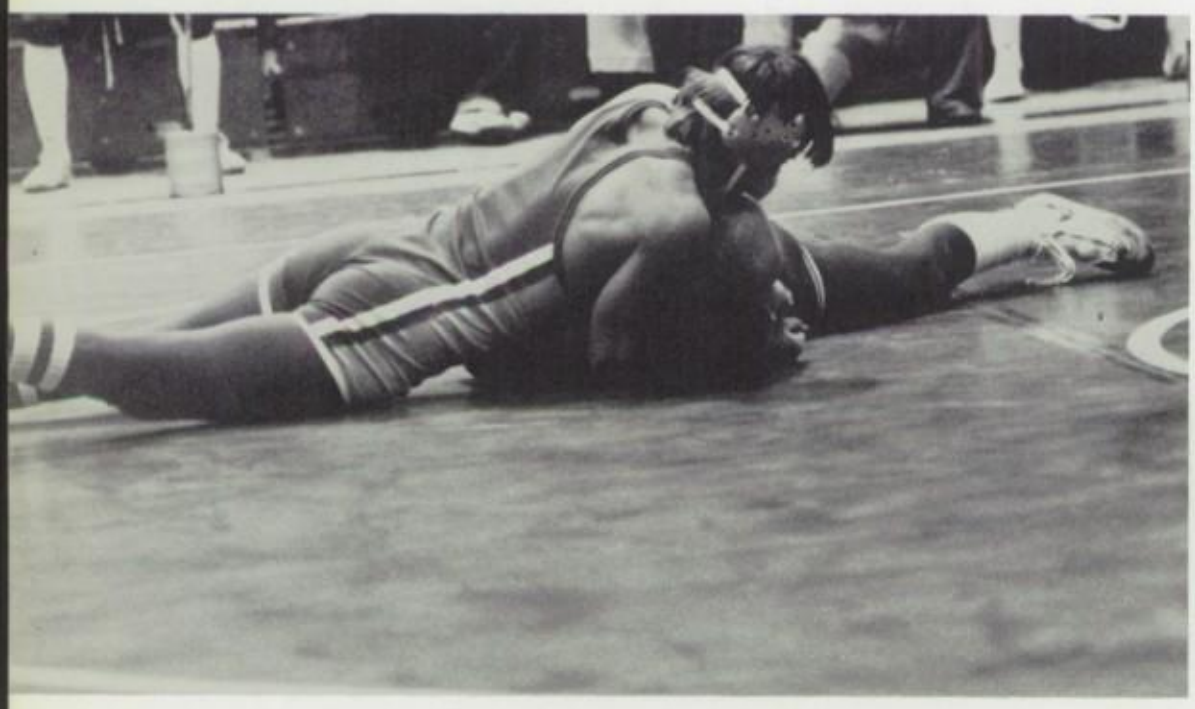
Takedown

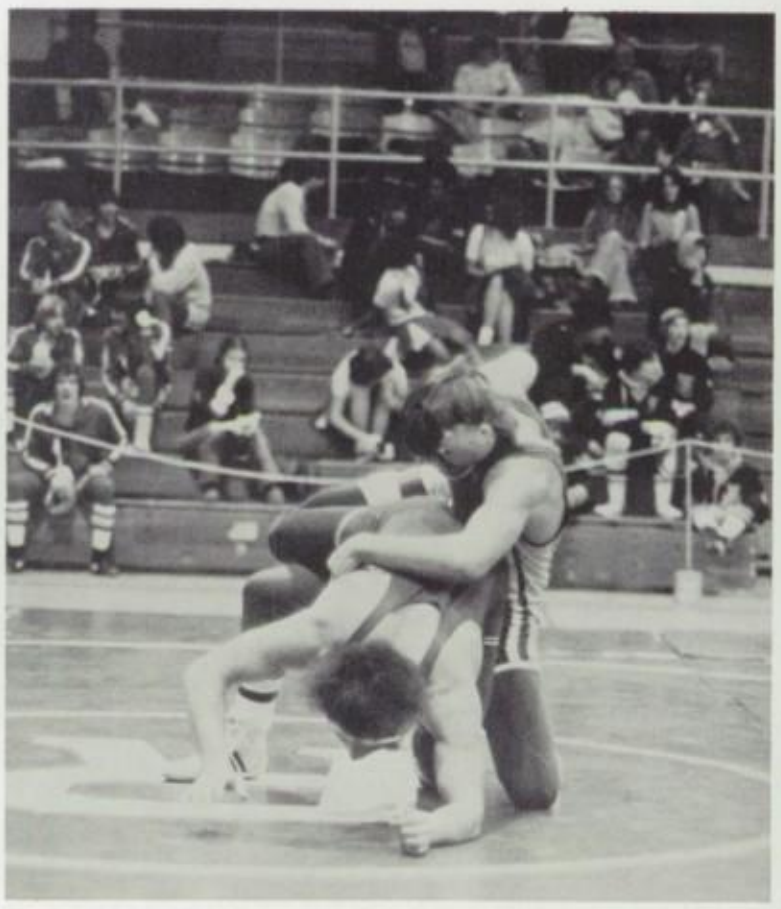
Strength, speed, and precise moves are three important techniques needed to become a skillful wrestler. The Spartan wrestling team trained diligently to develop these qualities this season. The grapplers needed a great deal of will power to pass up meals and homemade treats. They sacrificed these and many other things to make their weight classes.

Coach G. Anthony became the new head wrestling coach. The team finished with an 0-5-1 record. In the Sectional Tournament Jay Jagodzinski placed fourth, Keith Barr placed fifth, and Todd LaBonte placed sixth their individual weight classes.

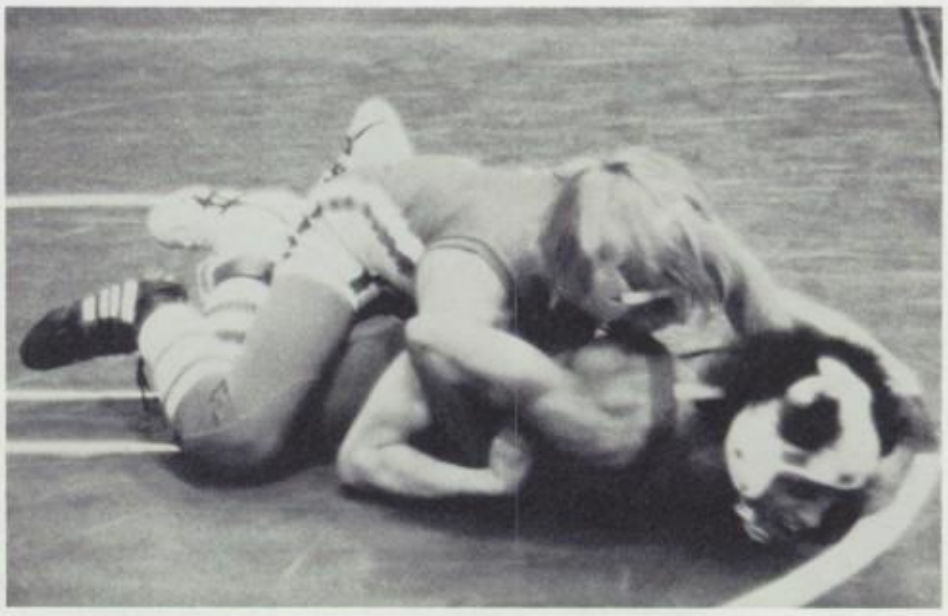


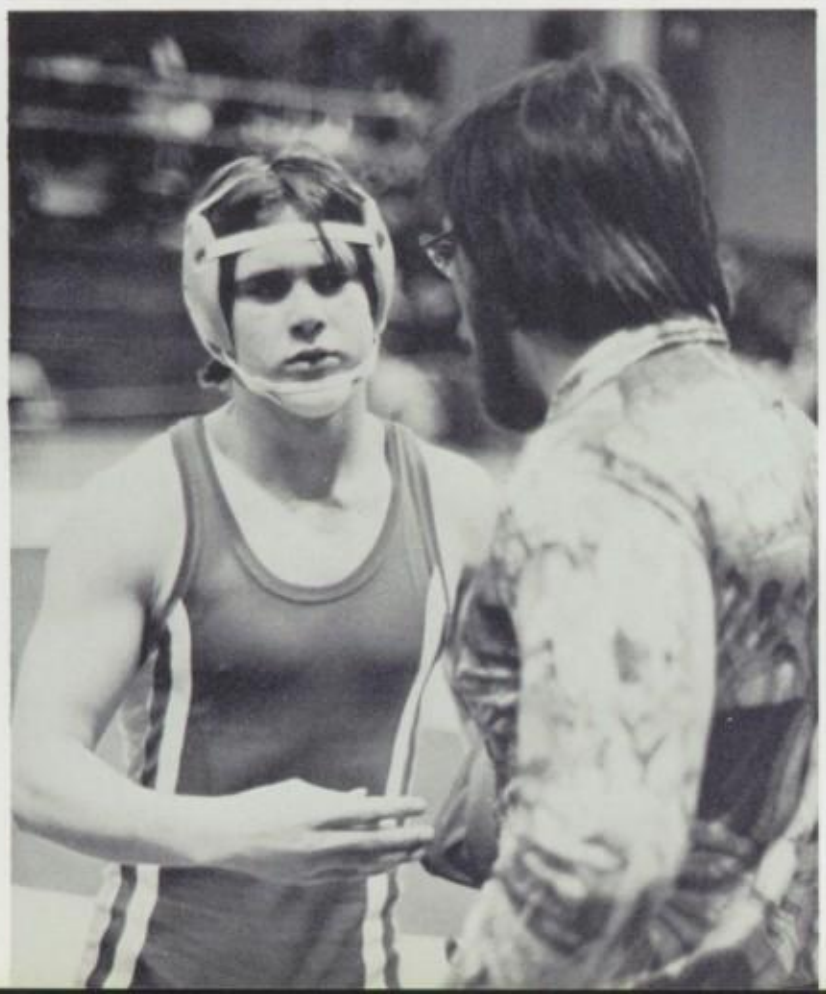


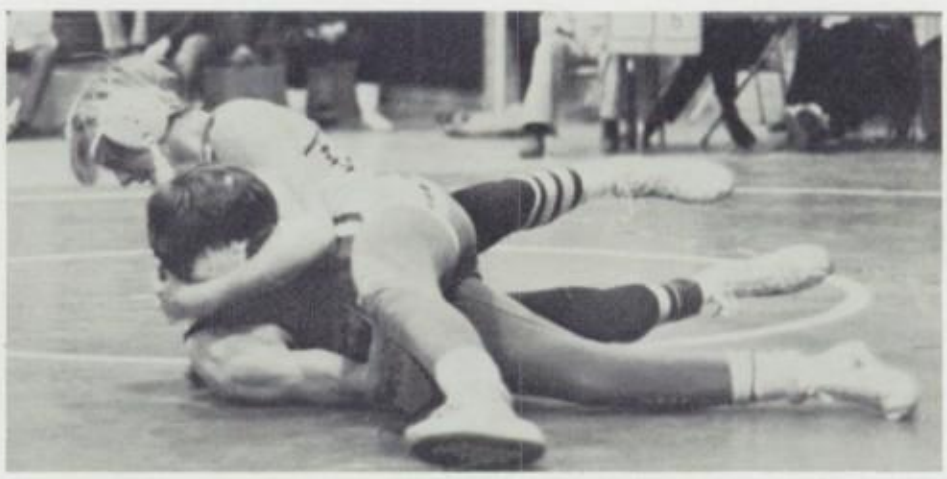


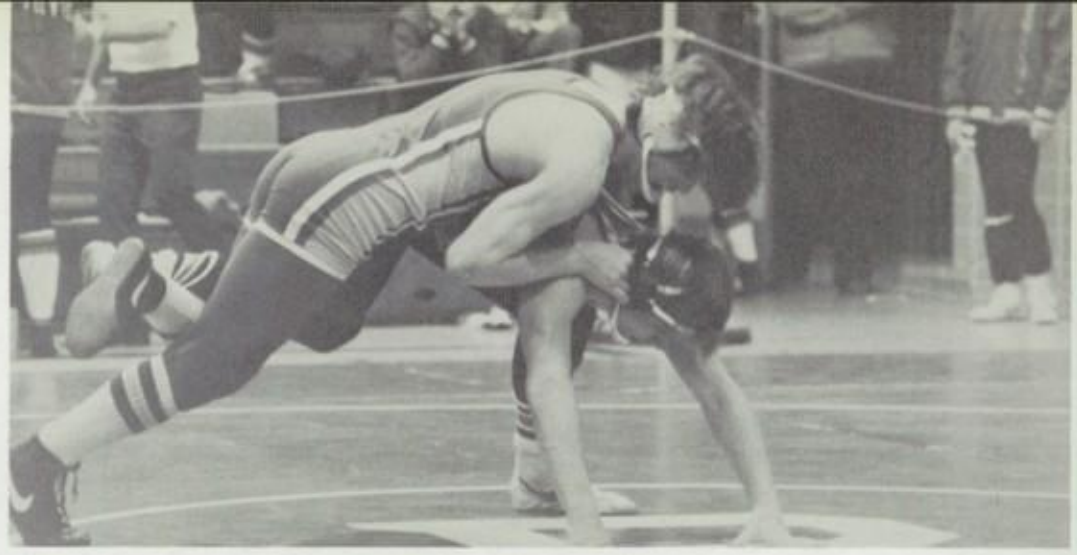


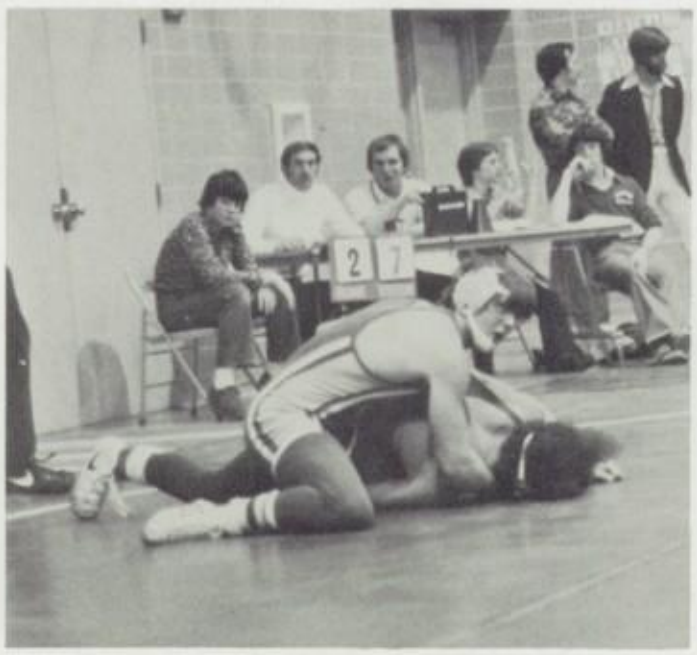
BOTTOM ROW: M. Adams A. Beale, M. Groah, T. LaBonte, D. Welch, J. Jagodzinski. **TOP ROW: COACH** G. Anthony, S. Steadman, B. Killian, S. Hibbs, R. Doran, B. Brubaker, **COACH** D. O'Neil.











JUNIOR VARSITY **BOTTOM ROW:** J. Langlois, J. Johnson, J. Owed, K. Kralik, G. Eckert, R. Legowski. **TOP ROW: COACH** G. Anthony, C. Russell, S. Domer, D. Kunkel, T. Wilczynski, D. Valasek, **COACH** D. O'Neill.

Nancy Ralston — Senior

The warmth of your smile
Brings to my mind
The sun, as it lingers
On the horizon, a time,
And it lifts up the dew,
In a delicate mist.
Yes your smile is warmer,
Even than this.
Thus the love in your heart
Comes through in your face
And the beauty of both
Is more delicate than lace.

Brian Lehman — Junior

Paul Krasa — Senior

Art is something which allows one to fully express himself. No two, separate, creations are identical. From a vibrant water color mural to a mysterious gray marble sculpture, there is an obvious or a latent beauty. Behind any product of first, mental imagination, then human dexterity, there is a key to the maker's personality. Even handwriting is an art which shouts out a person's individuality. Some great paintings are significant of moralistic tales which is the antithesis of aimless amateur doodling. Whatever the media may be is unimportant considering that every work of art is like a snowflake — a never duplicated masterpiece.

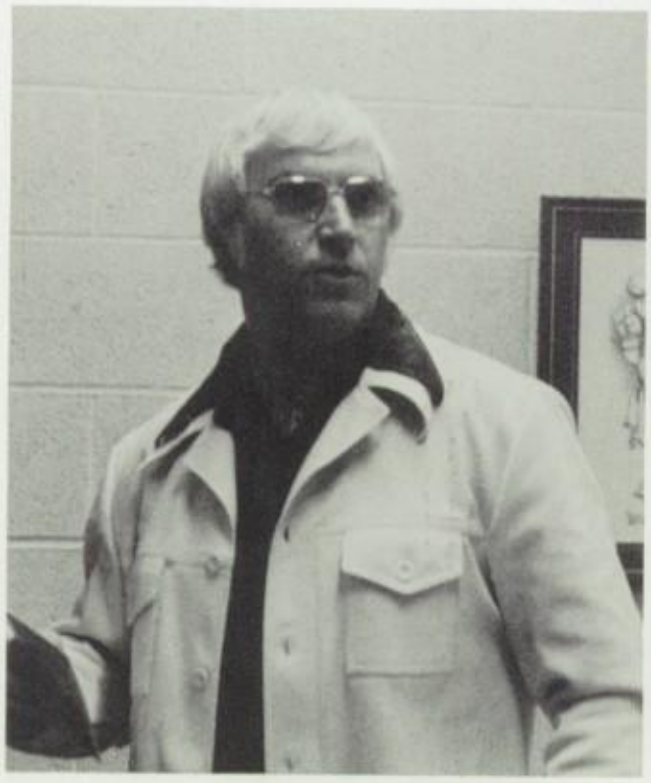
ACADEMICS

Administrators

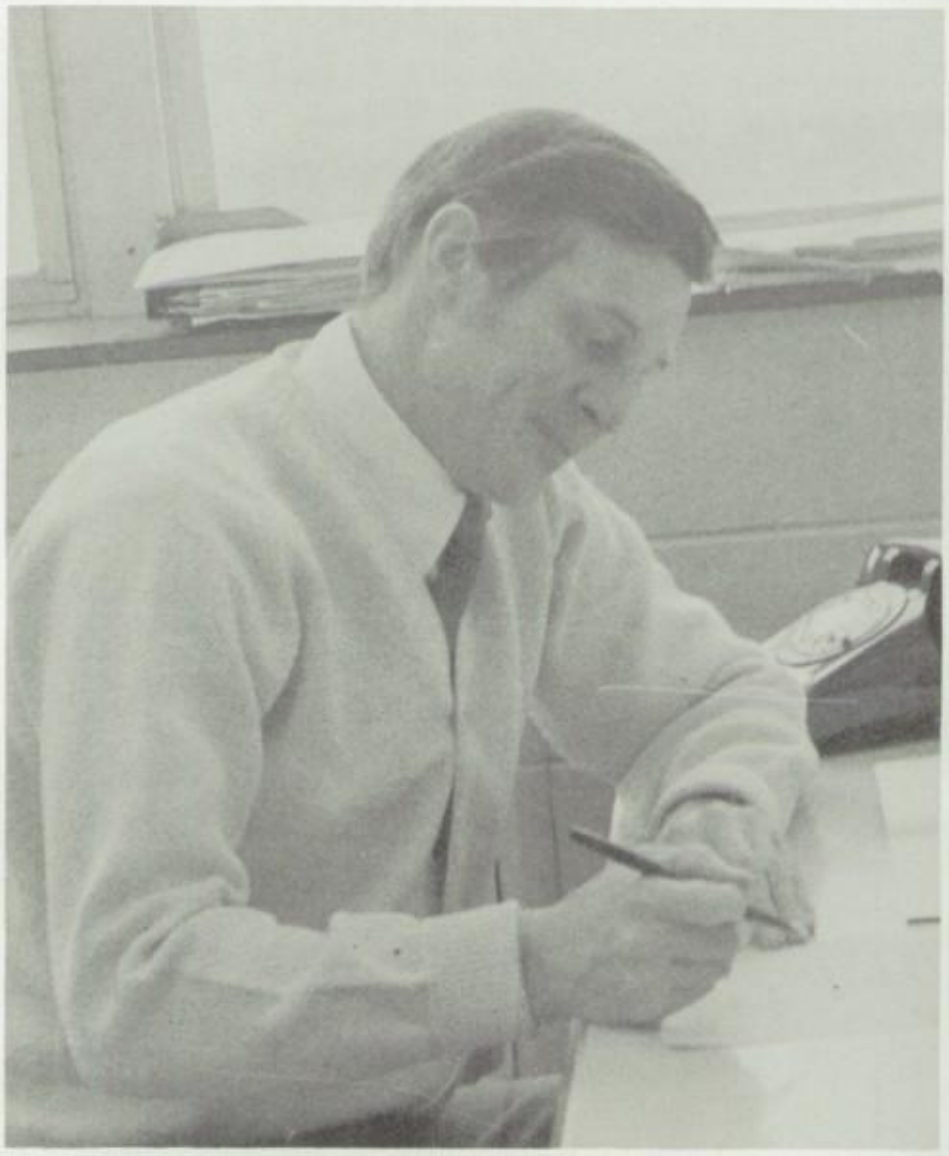


Mr. N. Heidtman takes on his new job with enthusiasm.

Considering the problems of running a large urban high school is Principal D. Clay.

Student and teacher schedules are concerns of Mr. R. Conley.

Assistant principal, student services was the title newly awarded to Ned Heidtman. He joins Robert Conley, administrative assistant principal, instruction and George Miley, assistant principal, community and student affairs.



A busy schedule of student activities is checked by Mr. G. Miley.

Mrs. J. Turner, Mr. J. Sodd, Miss C. Kiroff, and Mr. G. Rockwell make up the Start counseling staff.

New Administrators Interviewed

A new addition to the administrative staff was Howard Mabel. Mr. Mabel joined the staff in September, 1976 as coordinator of student affairs.

Where did you attend college and why did you choose the teaching profession?

I attended the University of Toledo and earned my bachelors degree; then I went to Bowling Green and earned my masters. I find the teaching profession very satisfying and I enjoy working with young people.

How long have you worked within the school system and what positions have you held?

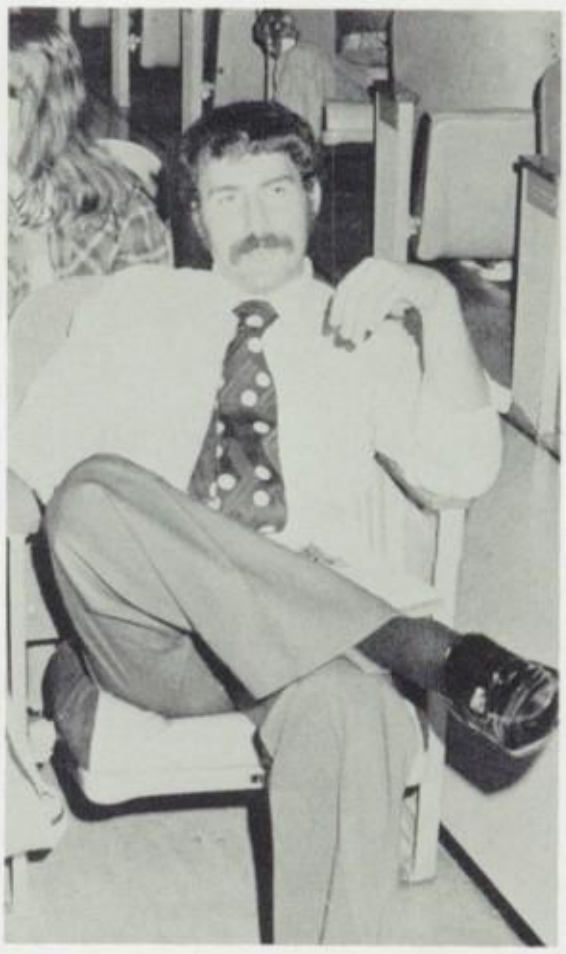
I've been with the school system for eleven years and I've been a teacher, a coordinator, a dean, and a principal at a number of schools. I've also worked in various summer programs.

What responsibilities do you have at Start?

I'm here to insure that the building is secure and provides an educational atmosphere.

What is your opinion of our school and its student body?

The school can become one of the best in Northwest Ohio and the students can help attain this.



An auditorium program gets the attention of Mr. H. Mabel.

Miss C. Kiroff offers friendly assistance to many Start students.

Another new addition to the adminstrative was Carole Kiroff. She came to Start as a counselor following one year at Waite High School and six years at Rogers High School.

Where did you receive your degree?

Both my bachelors and masters degrees are from Bowling Green State University.

What was your teaching background?

My undergraduate majors are in English and history. I taught seventh grade geography and junior and senior high English and American history.

What do you feel was the greatest service you provided for Start High School students?

I think it was to be a resouce person. I tried to help students consider alternatives or options in making decisions when they seek my advice.

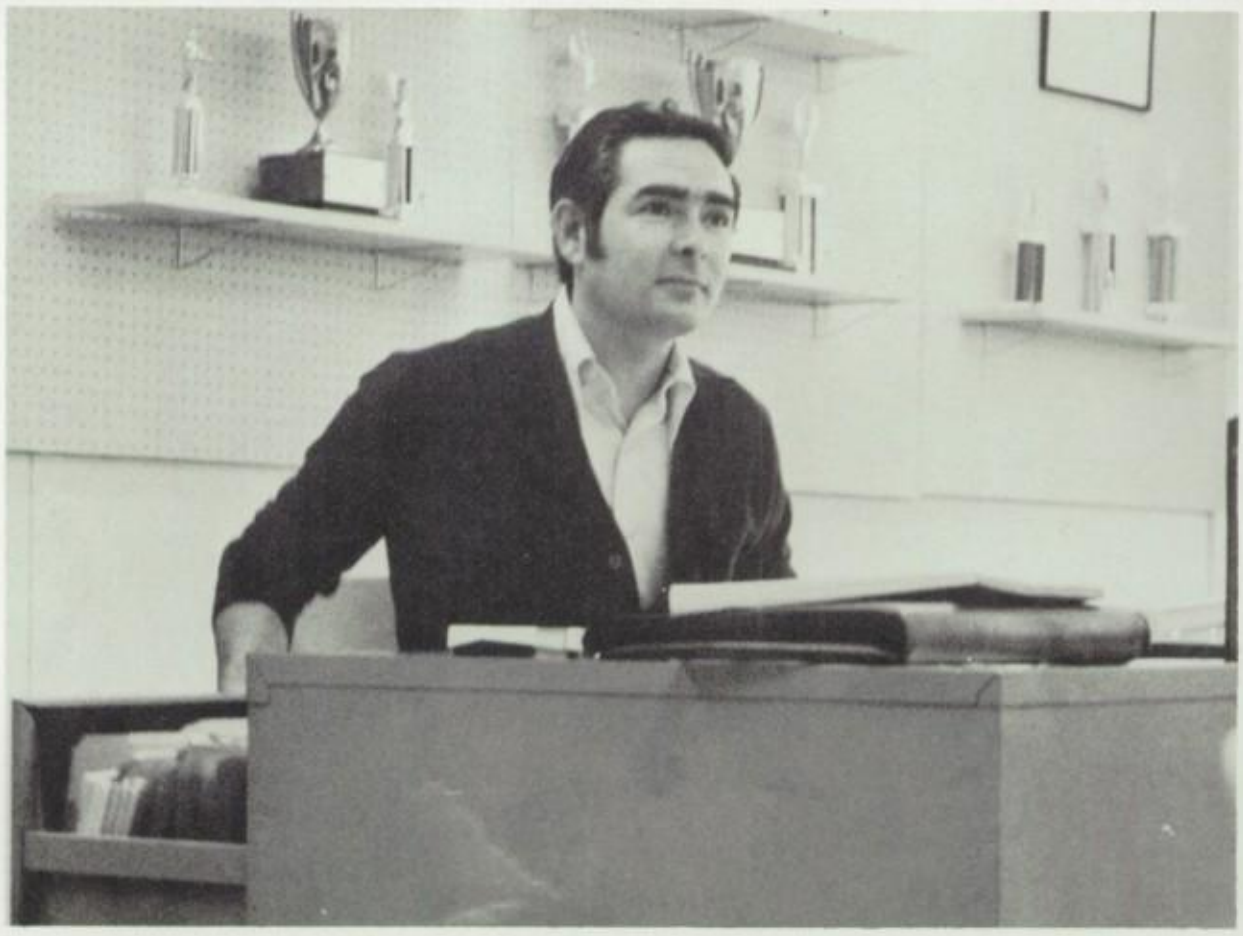
What is your opinion of Start High School and its students?

I'm very impressed with the friendliness of the staff and students. They seem very cooperative and I really enjoyed my job.

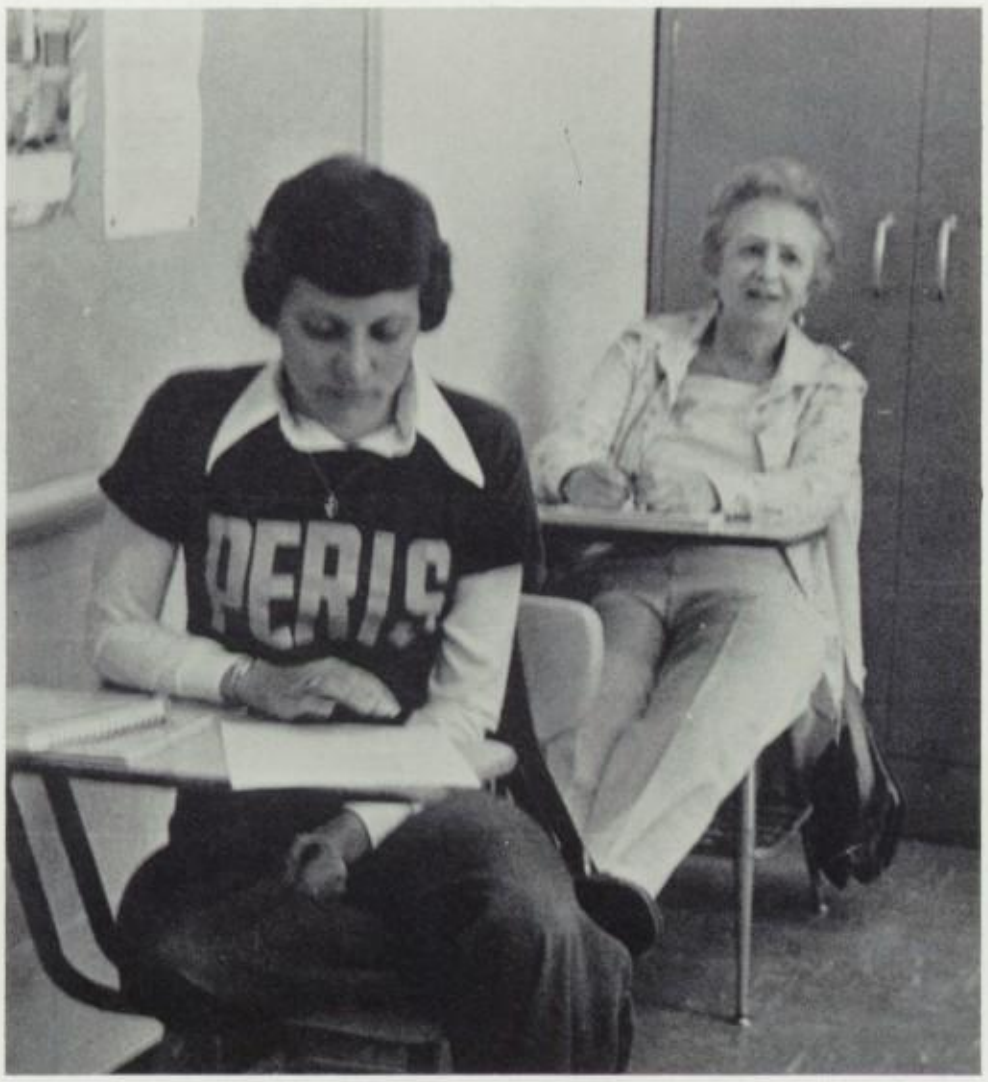
New English Teachers And Classes Added To Department

The English department, headed by Mrs. J. Shumaker, is considered to be one of the most influential departments at Start. This year two honors classes for juniors were established along with reinstating freshman honors English. Certain classes attended the play, **Othello,** and some visited the downtown and Toledo University libraries.

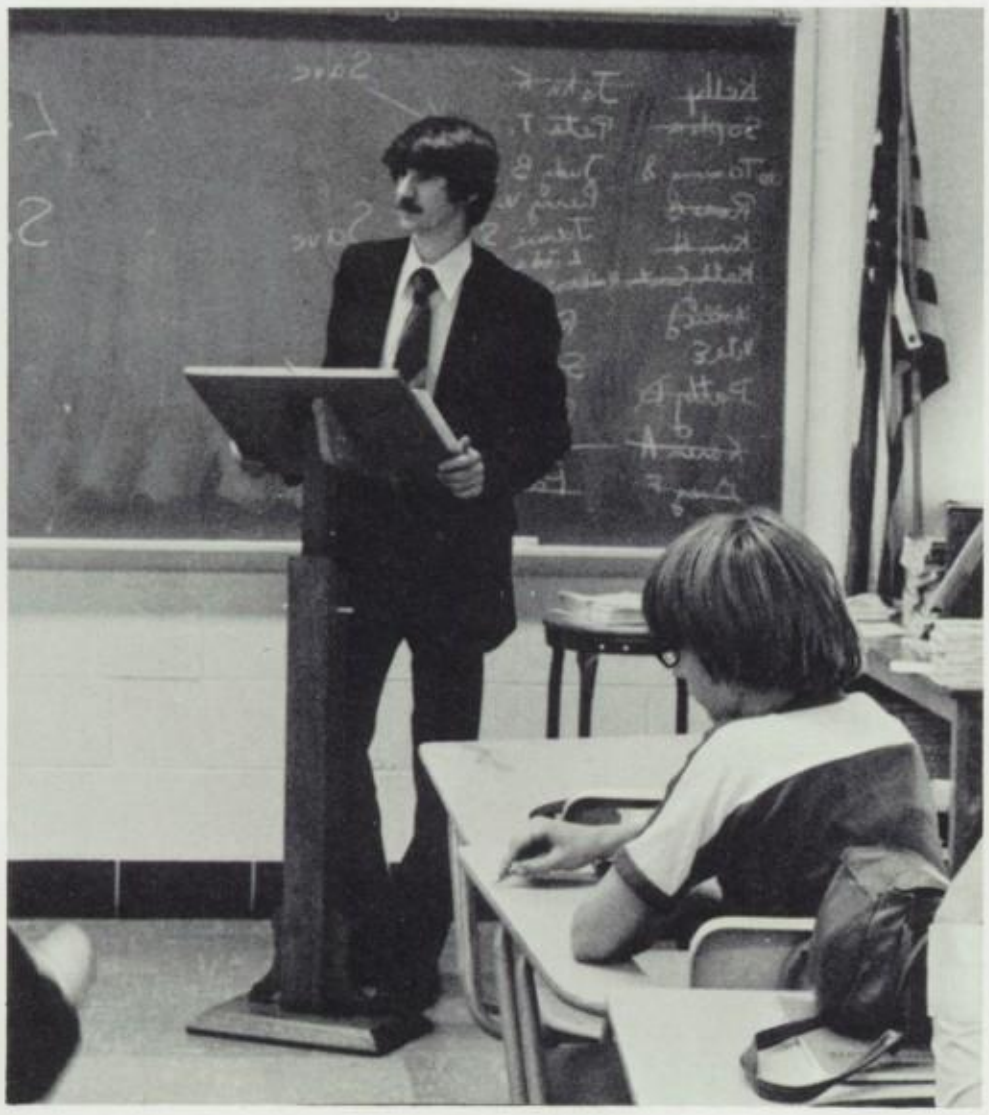
New additions to the English department were Mrs. R. Allison, Mrs. P. Pilewski, Mrs. C. Tetlow, and Mrs. D. Batson.



The Speech and Debate teams are headed by Mr. L. Katzman, who is a member of the Speech Communication Assoc. of Ohio.



English teacher, Mrs. P. Nathanson, also advises the Periclean Literary Society.



Being Sophomore Class Adviser and coach of the Bowling team are some of Mr. R. Rice's duties.

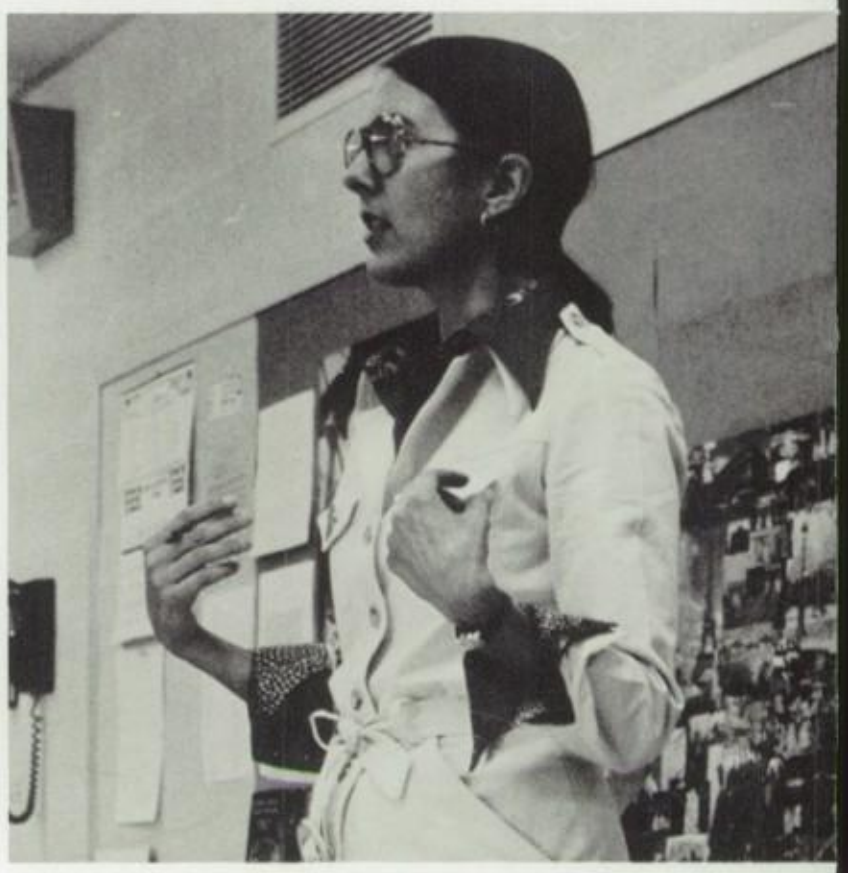
The door to Room 217 is kept open by English teacher Mrs. F. DeLamater for advising the **Shield** staff.

New Language Course Enlightens Students

The Foreign Language department was headed by Mrs. M. Sinclair. This year a new course was offered called "Culture and Civilization" which included study of German, Italian, Spanish, and French culture. The department planned many cultural activities. French classes visited Promenade Park, held a potluck featuring a French menu, and made crepes. The Spanish class specialized in tacos.

Spanish and Latin is explained by Mrs. M. Sinclair.

The German classes are taught by Miss A. Kwiatkowski



"I love the language and I hope I bring enjoyment to my students," says Mrs. B. Penske, French teacher.

Students enjoy Mr. J. Cerenok's Russian classes.

"She is a good teacher because she explains everything well," Freshman L. Lair said of Mrs. P. Gstalder, who teaches Fundamental Art.

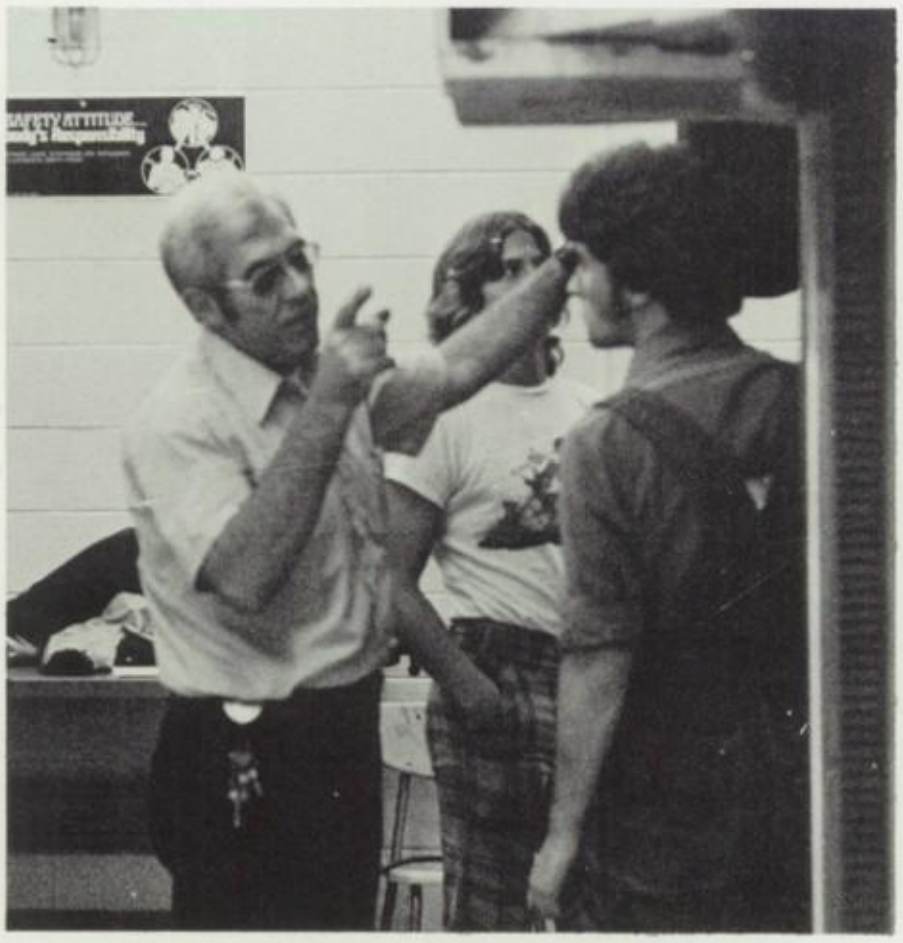
An influential display on voting was done by Mrs. Gstalder's General Art class to encourage people to pass the school levy so school doors could remain open. Mrs. Rice took her students to visit a ceramic shop. "They developed sensitivity to forms and shapes," commented Mrs. Rice. Both Mrs. Rice and Mrs. Rutherford attended classes at Waite High School to learn the art of batik which involves wax painting and dying. Although she taught specialty classes in pottery and sculpture, her favorite art forms, Mrs. Rutherford also stated, "I would like to do batik, jewelry, enameling, and anything else that comes along."

Art Students Use Talents To Help Promote School Levy

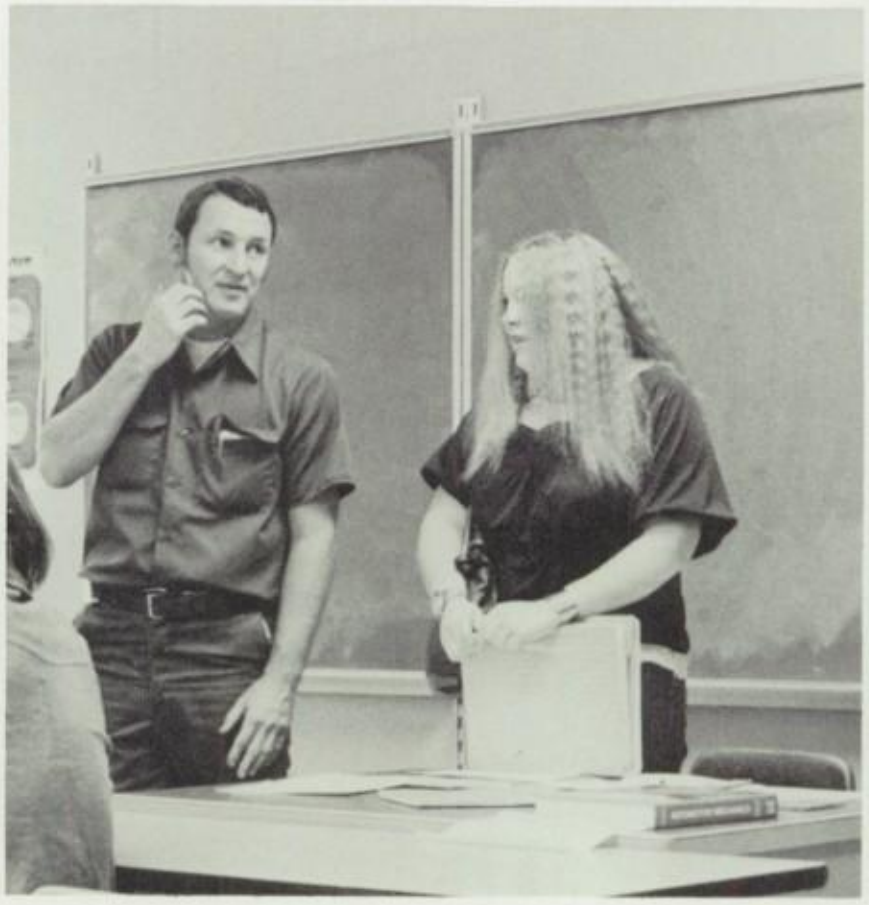
Ceramic wind chimes were a project of Mrs. C. Rutherford's class as demonstrated by L. Cherry with Mrs. C. Rice giving her approval.

Third hour Crafts and Ceramics class clean up after a day of sculpturing.

New Opportunities Become Available As Skill Center Doors Open.



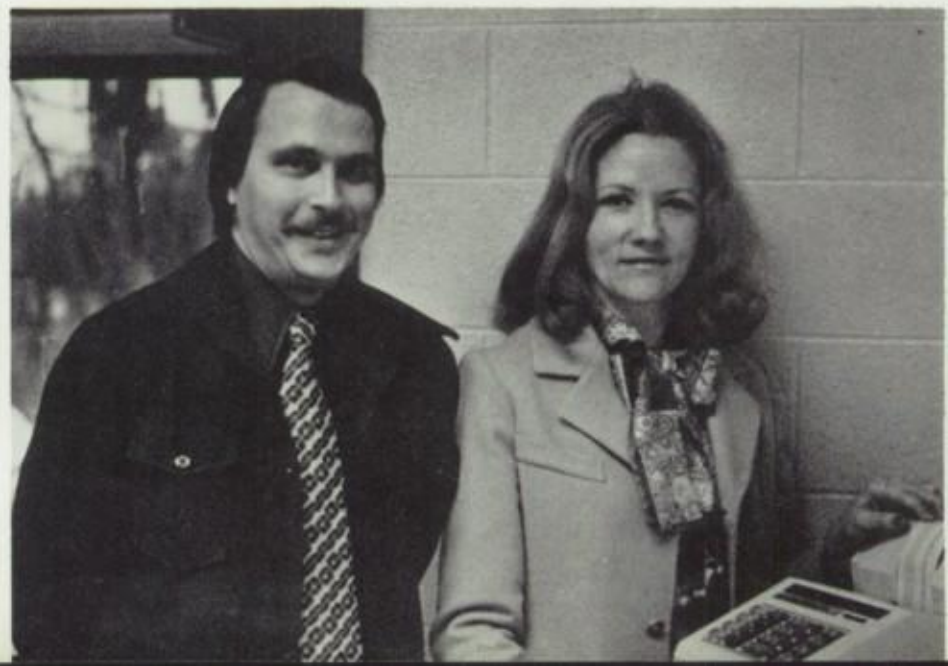
Pointing out the fundamentals of auto mechanics is Mr. K. Werts.



Women's lib takes over as Senior J. Hughes confers with teacher Mr. A. Toth, in auto mechanics.

Demonstrating the new facilities in the retail marketing room are Mr. E. Smart, Mr. S. Niemi, Mrs. J. Baxter, Mr. J. Maxey, Mr. K. Werts, and Mrs. M. Galligan.

The only school drive-in window in the nation is located in the Banking and Finance Center. The course is taught by Mr. M. Johnson and Mrs. E. Eiserling.



Business teachers at the center include Mrs. M. Haefner, Miss E. Needles, and Mrs. J. Osborn.

In the business section, L. Bowles learns skills from Mrs. C. Fisher and Mrs. P. Papavasillopaulos that will enable her to join the business world.

Typing skills are taught by Mrs. B. Leuck and Mrs. N. Siegel.

The Fashion Merchandising Room features its own boutique. Mrs. A. O'Conor and Mrs. M. Axonovitz were the instructors.

Math Department Adds Two New Teachers

Uniformity + co-operation = the general objectives of the math department. Department chairman J. Koch feels that getting the students to cover the same material in all schools in the city was a major development.

The fact that many Start students scored high in math competitions reflected the competence of the department.

Lee Jones and Rich Arbinger joined the math department staff this year.

One of the new members of the department is Mr. R. Arbinger.

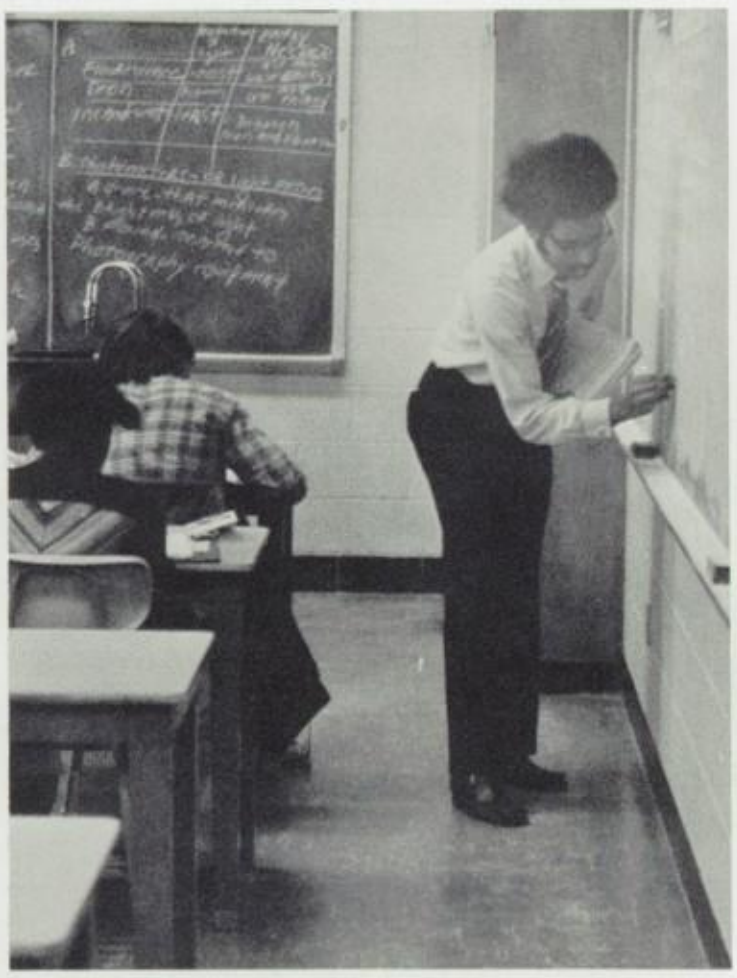
Mr. Parks also coaches.

Mrs. S. Hillyer, Mr. J. Koch, Mr. R. Parks, Mr. E. Eller, Mr. J. Bushong, Mrs. L. Jones, Mr. D. Kroggel.

Science

The Science department gave students an overall view of the many different fields of sciences. The chemistry and physical science labs received new materials to increase and broaden students' education in these areas. Although there were no field trips, the zoology course was taught at the Toledo Zoological Gardens. The Science department kept up to date to help college bound students get ready for their future in any field of science.

Mr. L. Lieber, Mr. L. Totty, Mr. Z. Howard, Mr. J. Engwert, Mr. R. Squire, Mr. D. Witkowski. SEATED: Miss B. Foster and Mrs. R. Williams.



Mr. L. Totty gives his class some notes on light meters.

Chemistry students see the humor in Avagadaro's theory.

We are broadcasting live from Start High School's gym where there is a flurry of activity taking place. Handball, basketball, volleyball, badminton, bowling, and gymnastics are just a few events in the line-up. Soon we will be switching to the new tennis courts where tennis classes are held. An innovation in the sports scene has been the introduction of co-ed gym in the freshman classes. "These classes promote sportsmanship and interaction between the boys and the girls and I really enjoy them," freshman gym teacher Joan Pomeroy said. That concludes our coverage on the Physical Education department.

Mr. T. Inman struggles with a confusing athletic schedule.

Physical Education

Keeping a wary eye on the gym door is Mrs. M. Kimble.

Students are shown how to serve the volleyball by Mr. D. Niederhouser.

Mrs. J. Pomeroy pays strict attention to the game.

Health

"I hope the health classes reflect the problems and joys of life and how to cope with both. This is a class that is important to the student body today, five years from now, and as a grandparent," health teacher Fran Kalafatis said. Topics covered in the health classes included first aid, body systems, ecology, drug usage, and mental health. Several interesting teaching aids were used such as a smoking machine that showed lungs filling with smoke, sample charts on drugs, and a dummy used to practice mouth to mouth resuscitation. Films, records, lecturers and personal stories also proved helpful in this course.

Discussing new approaches to teaching health are Mr. R. Pawlak and Mrs. F. Kalafatis.

Special Education

Special Education teacher Mr. R. Honner explains a lesson.

Students are helped with a craft project by Mrs. M. Kreager, Special Education teacher.

Miss M. Clark, Aide Mrs. M. Dumkow, Mrs. M. Ryan, Mrs. V. Cready provide instruction and assistance in the Exceptional Children Program.

Exceptional Students

Thirty-three exceptional students were welcomed into the Start building. These orthopedically handicapped students enjoyed participating in Start's activities. "I like the students and the free atmosphere," senior Jesse Mender commented.

Music Department Scores

Mr. M. Miller is in charge of instrumental music including the band and orchestra.

Vocal music is taught by Mrs. K. Sibley, who also handles the choir.

Recipe For A Successful Home Economics Department

Home Ec teachers Mrs. D. Hancock, Mrs. I. Petersen, Mrs. B. O'Neal, Mrs. K. Geething.

Mixing it up are seniors Steve Lucio and Jerry Ditmyer.

You will need: 4 teachers headed by Mrs. I. Petersen
3 well equipped rooms
24 students per class
a pinch of patience
Add: cooking and sewing skills
With: consumer research
child care
personal grooming
home furnishing
Combine spilled dishwater, wierd smelling vegetables, and a backward zipper with famous chocolate chip cookies, a great tasting breakfast, glazed carrots, a nursery school, and a new denim skirt. Results: 16 Start High School Home Economics classes.

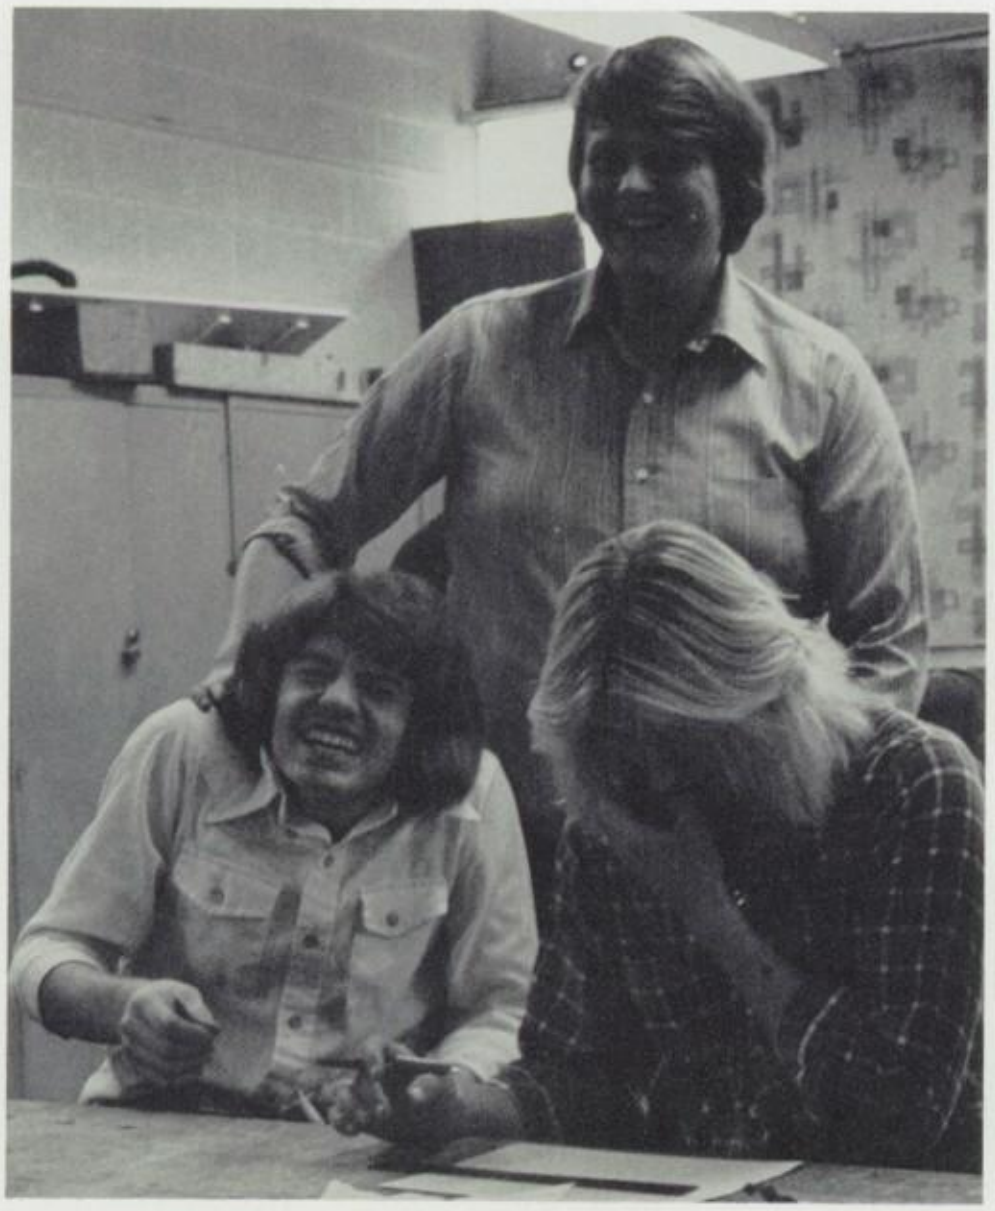
A thorough explanation is given by Mr. T. Walters.

Industrial Arts

"Preparing a student for life by interesting him in a hobby, and at the same time teaching him the necessary skills needed for ordinary maintenance of a household as an adult, were the main objectives of the Industrial Arts department," chairman Wayne Haefner said.

There were many courses offered in this department open to boys and girls. Several were available in woodworking. In these classes students completed projects ranging all the way from a cooker that heated three hot dogs in ten seconds to a chess table and even an oak dining room table. Stereo cabinets and speaker boxes were also popular choices.

Basic through advanced mechanical drawing students were taught the principles of design, architecture, and illustration. They were also taught to use the tools of the trade and to read blueprints.



Mr. D. Preslan demonstrates a method of classroom management.

Mr. W. Haefner uses a visual aid.

Always available to help a student is Mr. R. Young.

Social Studies

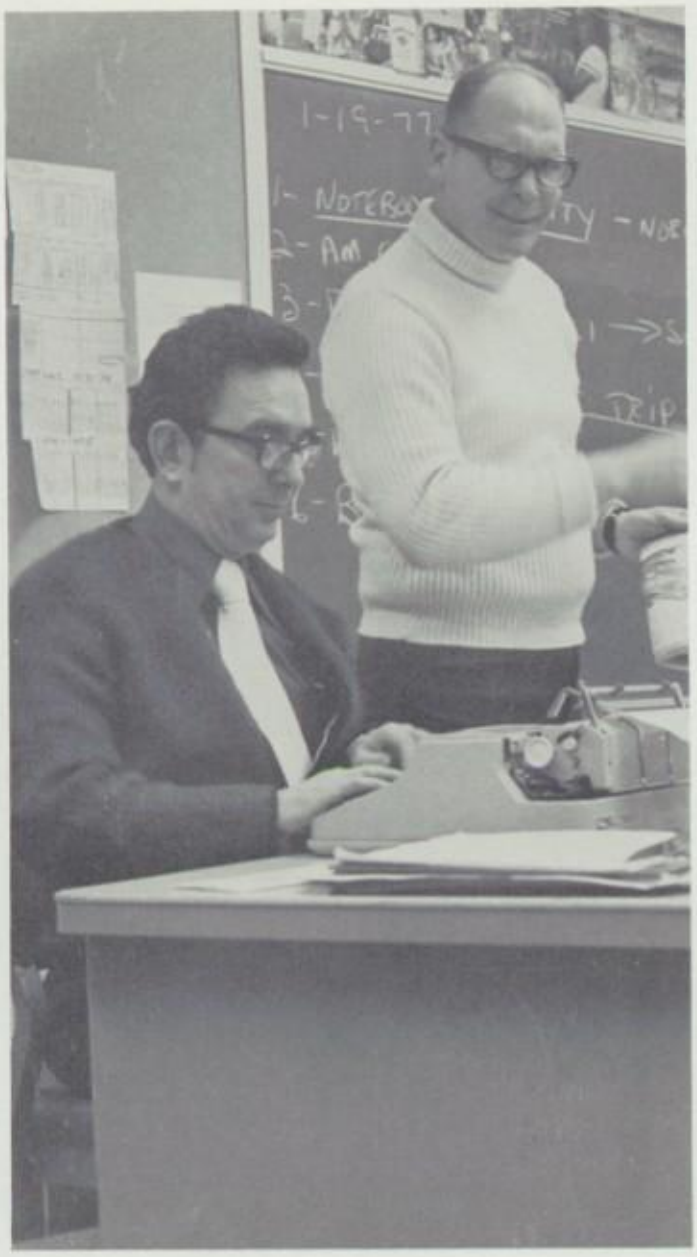
Mr. P. Benedict, Mr. M. Pappas, Mr. J. Wretchko

"I believe our department is one of the best in the city. We offer a variety of subjects. Our teachers are enthusiastic, sincere, and well-prepared for the task of teaching our young which they take very seriously," said Mitcho Pappas, head of the Social Studies department. Additional courses in this department included geography, ethnic studies, and consumer problems. American history classes planned the annual trip to Greenfield Village while several of the social studies classes visited the County Court House to observe government agencies in operation. The department planned to participate in the city government "take over" where representatives are selected to work with city officials and observe them work.

Mr. P. Schieg looks to the future.

Mrs. G. Haver, Mr. E. Apgar, Mr. P. Curran

Miss J. Kaczmarek creates interesting bulletin boards.



O.W.E. teachers Mr. D. Simon and Mr. Lewis prepare a lesson.

Togetherness is demonstrated by Mr. J. Bassett and Mr. T. Hickman.

Mr. P. Brzozka, Mr. T. Murnen, Mr. D. Cole, and Mr. P. McDaniel make up the O.W.A. department.

No stranger to the typewriter is business teacher Mrs. A. Ray.

Mrs. J. Peete took over several business classes when Mr. Pankratz left.

Hall Guards Mr. C. LaZette and Mr. G. Anthony display their power.

Mrs. C. Gorlewski is both hall guard and permanent substitute.

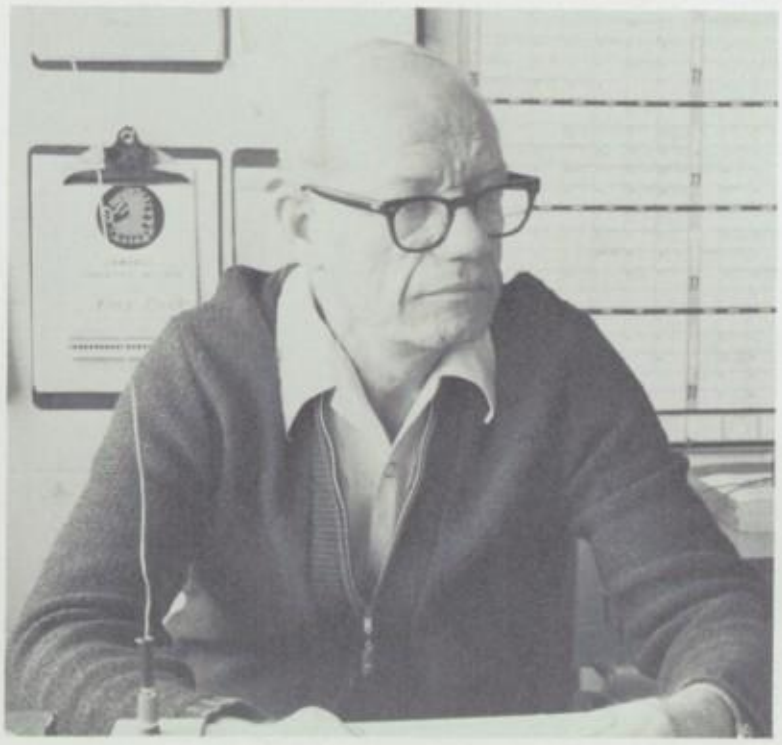
Substituting for the regular teacher is Mr. L. Moskal.

Proceed with Caution: Student Driver. This bumper sticker could be seen on the cars of the Driver Education department. These new cars were supplied by generous Toledo auto dealers. The course included basic road skills and accelerated into more advanced driving techniques. The simulation laboratory duplicates exact road conditions giving the student off-the-road experience.

Successful completion of this course results in the student receiving a certificate from the State Department of Education.

Mr. C. Doebler teaches Driver's Ed.

Behind-The-Scenes Workers



Building Chief Engineer is Mr. D. Getzinger.

Hard- working custodian Mr. J. Carr works late.

Mrs. H. Martin, custodian.

Not pictured: F. Kosolka, night custodian; M. Neyland, M. Carroll, J. Farmer, L. Bays, A. Dunston, M. Owens, and O. Coleman.

Mr. T. Oliver works nights.

Mr. D. Cluckey, custodian.

Cafeteria aids P. Webster, J. Helsel, S. Baz, S. Mason, K. Brown, E. Ruggiero, L. Blossom, I. Ziolkowski, H. Roberts, E. Radlinski, B. Murphy.

The library is the responsibility of Miss N. Young.

Mrs. V. Pollauf is new to the office staff this year.

Office staff: **BOTTOM ROW:** Mrs. D. Turney, Mrs. K. Clark. **TOP ROW:** Mrs. L. Lister, Mrs. N. Luther, Mrs. M. Gring.

Nurse Miss L. Semrock bandages student L. Kraft as Mrs. E. Koinis watches.

Four teachers important to the English department are Mrs. S. Feldstien, Mrs. M. Rabideau, Mrs. M. Pownall and Mr. J. Eppstein.

Academicians

Mr. D. Evans expounds on a history question.

Chairman of the English department Mrs. J. Shumaker grades papers at home.

Students take a grammar test as English teacher Mr. K. Oehlers supervises.

Mr. G. Garcia is student teaching with Mrs. S. Flanner and her Spanish classes.

Audio-visual director Mr. F. Kralik is also a member of the social studies department.

SENIORS

The Senior Class officers were elected in the spring of 1976 and began early planning for a successful year by appointing a variety of chairmen to coordinate the traditional as well as new events that crowd the Senior Class calendar every year. Advisers Mr. Jared Bushong and Mrs. Diana Hancock put in many hours outside of school besides the usual 2:30 meetings on Wednesday afternoons.

Seniors Celebrate Halloween With Traditional Fun Nite

Apple cider, doughnuts, and a visit from the Junior class T.P. crew accompanied the annual Senior fun nite. The highlight of the evening came when prizes were awarded for costumes. Marty Stimac was voted scariest, Greg Farell, funniest, and Chris Kunkel, most original. Chris Ray and Betty Beard won best boy's and girl's costume categories respectively. The class advisers lent laughter to the crowd as Mr. Bushong became Wee Willie Winkie and Mrs. Hancock blessed everyone as a nun. The Halloween-eve party, held at the Willys Park Shelter House, was planned by Patty Bowers and Susan Docis.

M. Stimac looks like he's all tied up for the night.

Frankenstein congratulates Miss G. Farell on being voted funniest costume.

Wee Willie Winkee makes sure his vote is counted.

Life has so many disappointments, so many downs. Looking ahead I realize there are new dreams, new goals. The old heartaches must make way for future triumphs. This chapter isn't the end, but a beautiful new beginning!

Sometimes
when I try to reach out you don't seem to notice.
Or perhaps

Exit To A New Beginning

Where am I going, or where have I been?

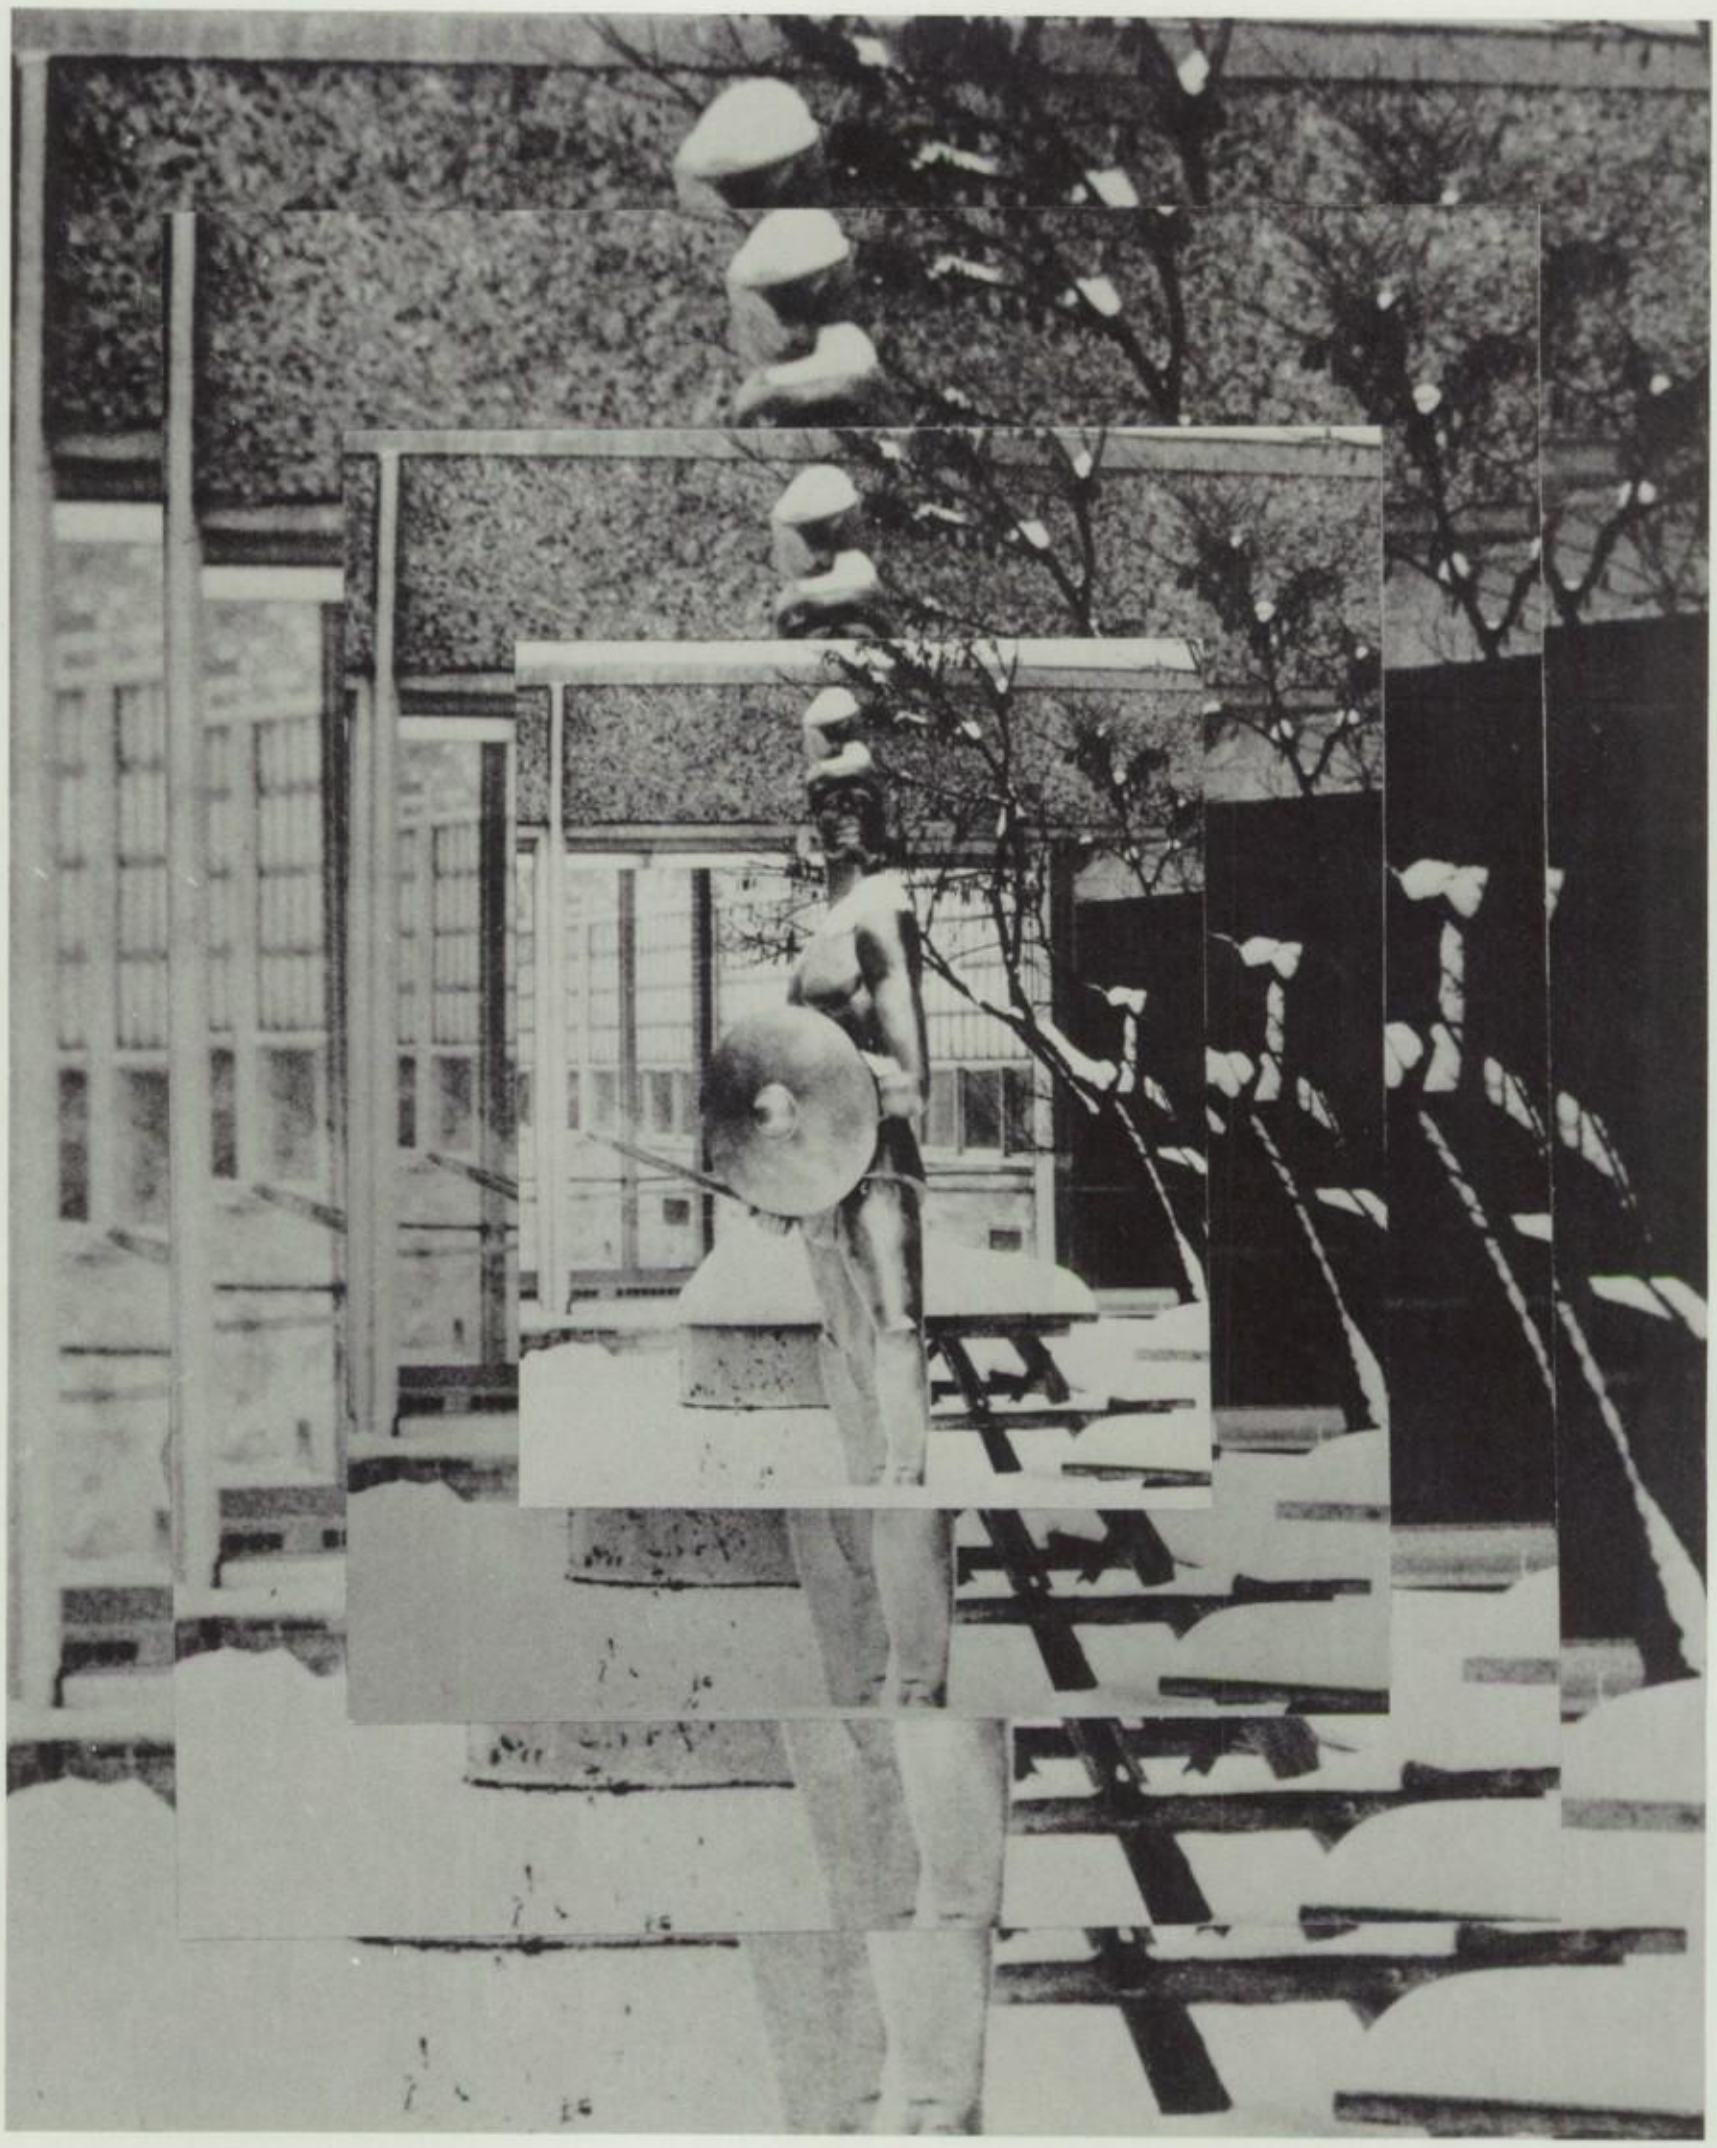
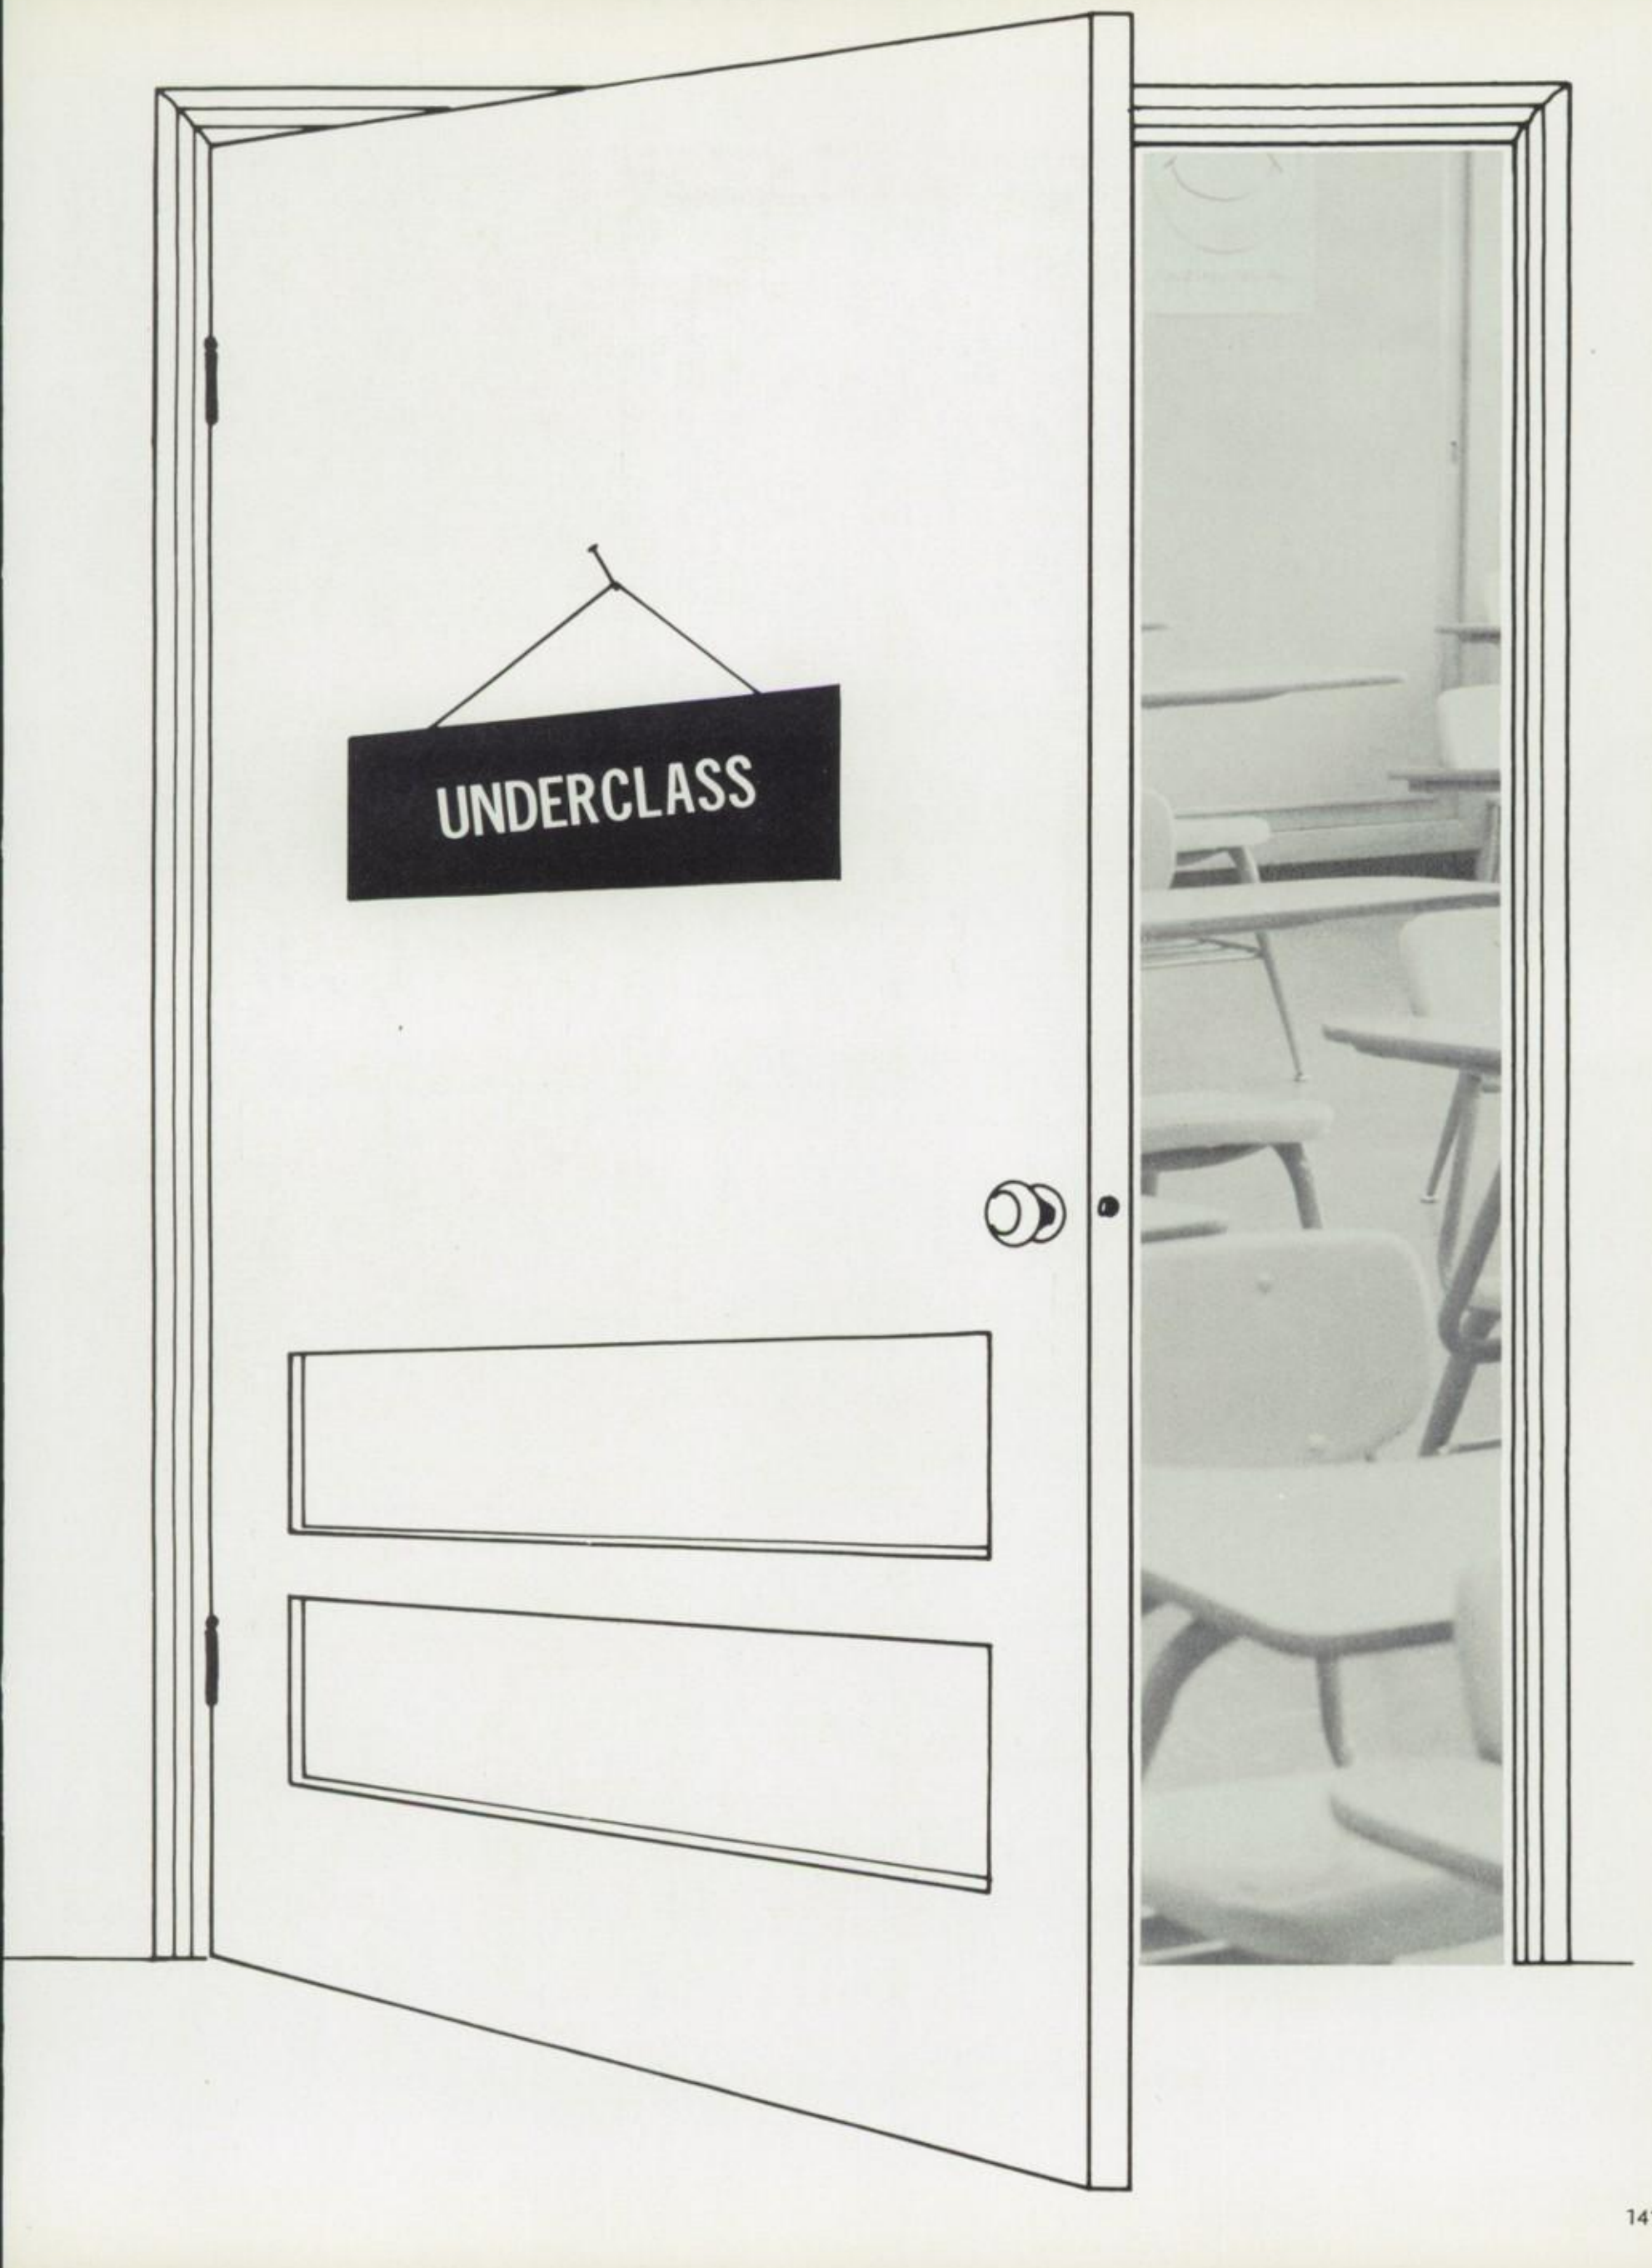
new adventure awaits me, just beyond the door . . .





UNDERCLASS

Juniors — Class Of '78

As juniors there are many doors to the future which will open with careful planning. One is faced with the responsibility of making mature decisions about life.

A wider area of involvement is offered during one's junior year. The Class of '78 took advantage of this by sponsoring a successful fifties sock hop and creating a float which took first place in the Homecoming Parade.

The key to achieving one's future goals lies in knowledge and determination.

Sophomores — Class Of '79

Doors begin to open wider as a sophomore. Most of the shyness and doubts disappear and one can work towards achieving his own personal goals. A sophomore develops his indivual personality and shares it with new friends and teachers as he accepts the responsibilities that come with maturity.

The first accomplishment of the sophomores was a float which captured second place in the Homecoming Parade. Next, they sponsored a Christmas candle sale to raise funds for various projects.

Sophomores realize that many experiences and many people can assist them in finding the key to the future.

Freshmen — Class Of '80

L. Lair, **PRES.**; M. Gilliam, **TREAS.**

B. Whetstone, **SEC.**; L. Dresser, **V.P.**

Passing through any new door in life is an exciting adventure, but it is also a little frightening. Most freshmen experience a bit of fright when they come face to face with high school. Those doors look gigantic!

The Class of '80 overcame its shyness and placed first in the magazine drive with the help of their adviser, Mr. Lazette. They were awarded 250 dollars for their efforts.

A new adventure for the freshman was participating in their first Homecoming Parade. Their float's theme was "Spartans Make Clowns Out Of Macmen."

These freshman learned that to find the key to an unknown door one must first look within himself.

ORGANIZATIONS

SBG Sponsors Many Activities

Many people are not aware of all of the functions of the Student Body Government, and the events they annually sponsor.

The magazine drive, an immense undertaking, is organized by this group every fall for the benefit of the entire school.

Each year, they are responsible for the well-planned football homecoming weekend. A good deal of work goes into the parade, the pregame activities, and the evening dance.

The Organizations Committee is in charge of Club Week at the beginning of each semester at which time interested students may sign up for the club or clubs of their choices.

Members of the Community Relations Committee welcome new members, conduct the traditional United Way collection and Blood Donor Day, and handle expressions of sympathy when necessary.

Most pep assemblies are put on by the Spirit and Traditions Committee, which also handles the organization's publicity.

The numerous elections held in the Main Hall including those for queens, kings, and school and class officers are arranged by the Constitution and Elections Committee which has devoted considerable time to the revision of the Student Body Government's constitution over the past several years.

In addition to the annual events, this organization sponsors guest speakers, movies, and special interest projects.

The Amorosa meeting was called to order.

Attendance: all 58 members are present. These girls strongly believe in friendship through service.

Treasurer's report: a big thanks goes to all the members who helped at the March of Dimes Haunted House which raised over $3,000 to be used in the fight against birth defects.

Old business: Amorosa was the first social service club established at Start. The goals are still to further charitable work and develop a spirit of close friendship among its members. In the last four years the membership has increased by nearly 50 percent.

New business: a stationery sale to raise money was discussed along with various service projects such as preparing Thanksgiving projects for the needy and visiting a nursing home. The annual trip to Macomber Lodge was planned and further thought was given to having a potluck.

A motion to adjourn the meeting was made and seconded. The meeting was adjourned.

The A-Phi meeting was called to order.

Attendance: all 35 members are present. A-Phi is a service club that aids the administration of the school.

Treasurer's report: the funds from the sucker sale in November and the plant sale in April were used to promote school activities and better community services.

Old business: all members were thanked for making the Homecoming float and Halloween Party big successes.

New business: spring inductions were discussed and planned.

A motion to adjourn the meeting was made and seconded. The meeting was adjourned.

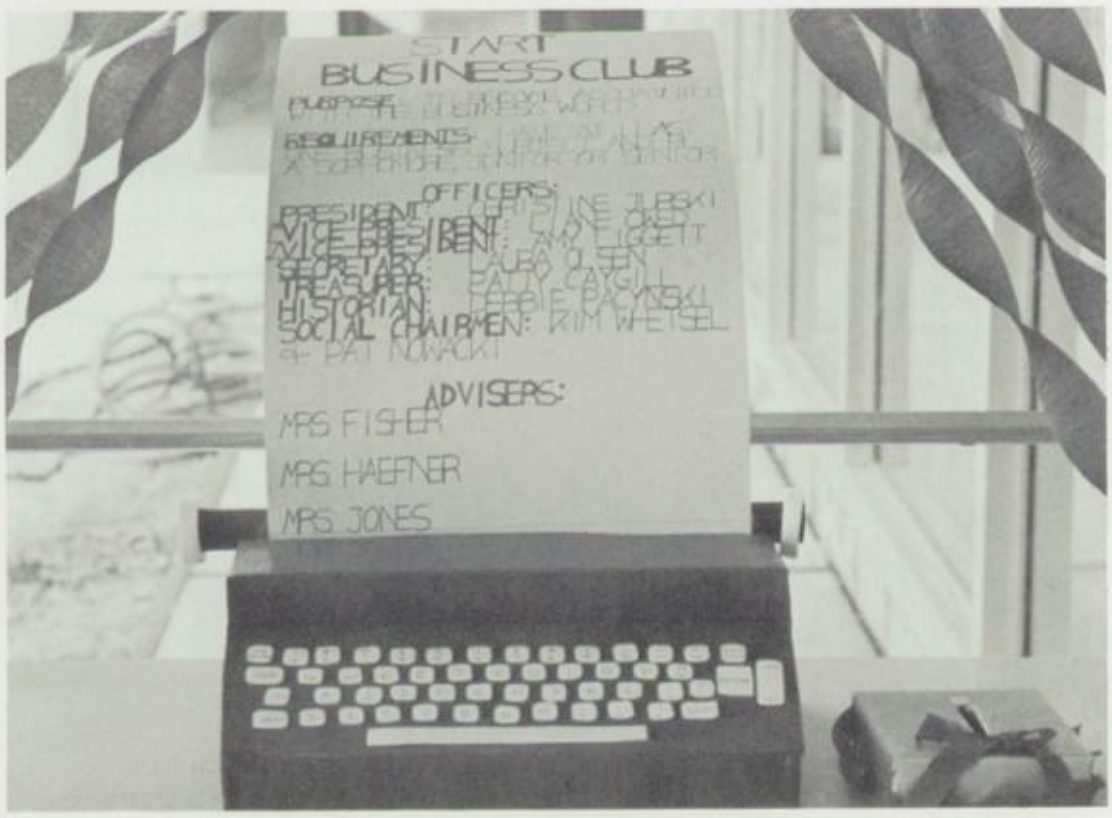
Start's Future Business Women



Students of Roy C. Start High School
2061 Farragut Drive
Toledo, Ohio 43613

To students of Start High School:

Acquainting students with the business world is the main goal of the Business Club. We have taken tours and have had guest speakers from several businesses in the Toledo area. They helped us prepare for jobs in the business field.

We had bake sales, sucker sales, a Christmas party, and a spring banquet for the students and parents involved in our club.

Sincerely yours,

The Business Club

New Location Of Office Education Is More Applicable To Job Placement

Students of Roy C. Start High School
2061 Farragut Drive
Toledo, Ohio 43613

To the students of Start High School:

To open the year, the Business Office Education Club held a candle-light installation of all members and officers. The club is a combination of social activities and business related experiences. We compete in shorthand and typewriting skills with other schools on local and state-wide levels.

One of our goals is to get involved in community projects. We gave a Thanksgiving party for the children at Miami Childrens' Home and held an annual banquet at the end of the year.

Sincerely yours,

Senior B.O.E.

To students of Start High School:

Typewriters, adding machines, and filing cabinets were part of the surroundings of Senior C.O.E. Mrs. Osborn, adviser, provided a helpful service in job placement for the club.

Among our many fund raising projects, our office education block had calendar and stationery sales which were big successes.

Guest speakers from Ohio Bell and the Medical Association helped us prepare for job interviews.

Sincerely yours,

Senior C.O.E.

The Junior B.O.E. Club concerned itself with preparing students for stenographic office positions. Each student in the group was a member of the Ohio Office Education Association. Being a member of this organization provided an opportunity to participate in state competition.

To students of Start High School:

The purpose of Intensive Office Education Club was to prepare young people for business careers. The two hour block consists of 13 members who got involved in school, community and educational activities.

Our activities throughout the year have included fund-raising projects, field trips, and an end of the year employer-employees' banquet.

Under the guidance of our adviser, Miss Needles, we participated in Ohio Office Education Association conferences and elections.

Sincerely yours,

The I.O.E. Club

D.E.C.A. 3 Paces Other Chapters In Candy Sale

"I believe in the future which I am planning for myself in the field of distribution and the opportunities that my vocation offers." This first line of the D.E.C.A. creed set up guidelines for the members of Distributive Education.

The national emblem of D.E.C.A., a diamond figure with a wrapped package symbolic of "a job well done," has four points that surround it which stand for Vocational Understanding, Civic Consciousness, Social Intelligence, and Leadership Development. These four points together provide the basis for the well-rounded education necessary for success in the fields of marketing and distribution. D.E.C.A. colors of blue and gold suggest sincerity, genuineness, and the crowning success of one who used his time usefully and wisely.

The last line of the D.E.C.A. creed summed up the idea of Distributive Education, "I believe that by doing my best to live according to these high principles, I will be of greater service to myself and to mankind."

D.E.C.A. provided each member with an opportunity to participate in many activities designed to teach him to be not only a leader but a follower as well. The dedication and drive of D.E.C.A. students was exemplified by their attainment of the highest measure of service to the vocation and to others.

This non-profit, non-political, co-curricular youth organization held classes in retailing, service, and merchandising. Qualification for the state conference, and thus possibly the national conference, was determined by the manual in marketing research or the merchandising survey submitted by the student. The quality of these manuals and surveys reflected the competitiveness of Distributive Education. At the state conference, Start D.E.C.A. took home half of the awards given and had manuals that ranked in the top third of the nation. Annual elections on city and state as well as chapter levels found Start students prominent among the winners.

D.E.C.A. 3, the Junior Fashion Merchandising program, prepared girls for their second year in fashion merchandising. Guest speakers discussed fashion careers. Job interviews helped students decide on a future in the fashion industry.

Lead by adviser Ann O'Conor, D.E.C.A. 3 ranked highest in profits in the city during the candy sale in October. The chapter sold over 990 dollars worth of candy during the month. Lynn Mummert placed fourth in the city Miss Ohio D.E.C.A. contest and Sherry Armen came in sixth in the city election of officers.

A Halloween party, a city-wide picnic, the fall delegates' conference, and making Thanksgiving baskets for needy families were just a few fun events of the group.

D.E.C.A. 3: BOTTOM ROW: Mrs. A. O'Conor, **ADV. ROW TWO:** J. Lee, P. Ganzel, J. Wyatt, **HIST.;** K. Golatka, J. Johnstone, C. Steadman, T. Petros, D. Pittman, C. Murray. **TOP ROW:** S. Eick, T. D.E.C.A. 1 Leads Nation In Awards

D.E.C.A. 1, better known as General Retail Merchandising, prepared students for careers in the business world as well as for entering college in business administration. This program was designed to give students a thorough background in marketing, retailing, and business administration.

Students in this program attended class two hours in the morning and worked in Toledo area retail stores in the afternoon.
D.E.C.A. 1 students participated in numerous activities throughout the year to develop the leadership skills which are necessary in the business world.
D.E.C.A. 1 was the oldest D.E.C.A. chapter at Start and throughout the years has had more students win state and national awards than any chapter in the nation.
During the year the main goal was to prepare manuals for national competition.

D.E.C.A. 2 Wins First State Trophy

D.E.C.A. 2 was the second of a two year fashion merchandising program. The senior program was aimed at preparing students for a career in the fashion field. Students from other schools joined Start students in the newly built Skill Center to try out new ideas.

For the first time Start's D.E.C.A. 2 won the state trophy in the Miss Ohio D.E.C.A. contest. This triumph was followed by the election of a Start D.E.C.A. 2 member as president of the city-wide group.

A city-wide picnic, candy sale, and installation dinner and ceremonies for all officers and members were highlights of the year.

BOTTOM ROW: K. Ward, K. Malkin, C. Cappelletty, R. Allen, R. Rahm, K. Harris, C. Skeldon. **TOP ROW:** Miss M. Axonovitz, **ADV.**; M. King, M. Shockley, C. Staley, G. Weathers, C. Nicholas, C. Sanford, S. Thompson.

Rookie Chapter Makes Progress

OFFICERS: T. Spencer, **PRES.**; B. Hennessy, **V.P.**; S. Brown, **SEC.**; J. Weaver, **TREAS.**

"California here we come" was the theme for the Senior Banking chapter of D.E.C.A. as they looked ahead to the national conference in Anaheim, California. The students prepared manuals in preparation for this meeting.

The group ran for Rookie Chapter of the year in hopes of going on to win at the state conference in the spring.

One chapter member was a finalist in city-wide officer elections. Another student participated in parliamentary law competition held at the Southwyck Mall.

The Senior Banking club has hopes for the future of upholding Start's tradition of bringing home 50% of the awards given at state conference.

BOTTOM ROW: T. Spencer, J. Weaver, S. Schnabel, D. Staley. **TOP ROW:** A. Plaine, K. Kaseman, B. Hennessy, T. Ellis, T. Parent, S. Brown, K. Stewart, Mrs. E. Eiserling, **ADV.**

D.E.C.A. 5 Investigates The Secret Service

Junior Banking and Finance was the first of a two year program that taught the fundamentals of bank operation. Mr. Johnson, the adviser, was formerly a bank employee and helped immensely in getting the students ready for the second year course.

The officers attended the fall delegates' conference in Columbus, and the whole class participated in district and state activities.

Having the Secret Service talk to them about counterfeiting and the representative from Ohio Bell explain the procedures of job interviews were some highlights of the year for the group.

National Honor Society was composed of fifty-two senior members. Twenty-two of them met the national requirements as juniors and were inducted in May of 1976. These people worked with the Student Body Government on projects over the summer.

Thirty more students joined the group in January of 1977, as seniors, after complying with standards.

Some members of the group were involved in the Quiz Bowl team whose competitions were televised locally. Tutoring service in all subject areas was available through persons of this club.

The National Honor Society also held money-making projects to support their scholarship fund.

Membership in Sociedad Honoraria Hispanica recognizes high achievement in Spanish by high school juniors and seniors. It is sponsored by the American Association of Teachers of Spanish and Portugese.

Each chapter has a Spanish name chosen by the chapter. Start's chapter is named for Julio Camba, a well-known Spanish journalist. This name was picked by the first group installed in 1968. The inductions in October started off this year with the addition of ten new members.

The Society participated in Club Week, and held two bake sales to earn money for a philanthropic project.

Providing the students of OWE with a variety of extra-curricular activities is the purpose of Occupational Work Experience. The class type club is limited to the students in Mr. Simon's OWE Class which meets in the afternoon because of their work schedule in the morning.

Field trips to American Motors, the Chevrolet Transmission plant and the Toledo Safety Building widen the students' view of the working world.

It's not all work though in OWE. Recreational activities included touch football, basketball and softball as well as checkers, hearts and euchre.

Due to the closing of schools the OWE had to change their schedule of events. The usual Christmas luncheon was replaced with a costume party held on St. Valentines Day.

In June the OWE club held their 4th Annual Awards luncheon at Sveden House.

Chair Lifts, Rope Tows, And Cold Weather

The Spartan Ski Club took advantage of the cold winter months by planning a full calendar of ski trips to such places as Alpine Valley, Mount Holly, and a weekend trip to Crystal Mountain.

The ski club was fortunate to have many faculty members who were interested in skiing too. Through their efforts many Start students were encouraged to ski and the trips were well chaperoned.

Students Serve In Many Ways

A group of young women and men interested in helping their school function in a smooth and orderly fashion made up school service. These young people performed the following tasks: ran errands, took attendance, sold tickets, put up bulletin boards, decorated showcases, cleaned up the cafeteria, aided the nurse and gym teachers, and assisted in classrooms.

The aid received from these young people was greatly appreciated by the teaching, clerical, cafeteria, custodial, and administrative staffs.

Curtain Call!

In order to join Thespians, an organization for students interested in drama, students earned ten points through involvement in the annual producations such as: Shenanigans, the musical, and children's theatre. Points were awarded for directing, performing, working on committees, or assisting in the orchestra pit during these productions. The Start High School chapter of this international honor society had 23 members.

The Thespians' annual presentation at Start consisted of two one-act plays: a comedy and a tragedy. Annual awards were given for the best Thespian and the honor Thespian.

The Spartanettes had the honor of performing at Centennial Hall because they were rated number one locally and in Northwest Ohio by The University of Toledo.

These talented dancers practiced four to five times a week and there were tryouts for every dance. They performed to a variety of songs including "Walk This Way," "Evil Woman," and "Roundabout."

These sixteen girls made and designed their own costumes and created special effects. Original choreography was done by Dana Wilusz.

Shield Staff Keeps Doors To Memories Open

Trying to capture the spirit of a school between two covers was not an easy task. It took cooperation and imagination on the part of all the staff members.

Designing layouts, writing copy, selling ads, cropping pictures, and typing index were jobs assigned to specific staff members. Seeing these individual efforts come together to form a successful yearbook has been our goal. As deadlines drew nearer tension filled the **Shield** room but when the proofs came back and we saw the yearbook taking shape we were filled with a sense of accomplishment.

The Royal Choir consisted of fifty-seven members. Sopranos, altos, and tenors sang their way through approximately thirty-five concerts, the majority being in the community. The choir's major fund raising project was a Polish Dinner which was held in the cafeteria.

And The Band Played On . . .

A band member's work begins long before school starts. The last two weeks of August are spent learning the material for the upcoming marching season. Next comes concert band, where the students practice for performances which include Commencement and Awards Day. Also, each spring individuals and ensembles compete in a music contest at Bowling Green State University. "Being in the band takes a lot of time and effort but in the end, it's worth it," says junior Gwen Counterman.

Required For Jazz Band: Talent And Dedication

Walking into the gym for basketball pep assemblies and varsity games one can hear the music of the Jazz Band. Selections range from "Jesus Christ Superstar" to "The Manhattan Spiritual". Each year we are entertained by the Jazz Band at Shenanigans, and this year as something new an ensemble was taken from the group to perform at hockey games. Besides the long hours of practice that are put in by the individuals in the group, there are many out of school concerts which required a lot of time.

The thirty-five members of the orchestra had rehearsal every day in order to present ten excellent concerts. When everyone else was sound asleep the members of the pit orchestra were tuning up their instruments. These members practiced everyday before the musical. Looking toward the future . . .

As supplies of natural gas and oil continue to grow scarce, electricity will play an even larger role in meeting the expanding energy needs of our society. That's why Toledo Edison is developing new sources of energy, such as nuclear power, and planning ahead for the power needs of 1990 and beyond.

We're determined to meet this challenge and provide the best possible electric service for your generation and others that follow.

Jerry Perkowski did.
He's a clerk-typist who enjoys office work.

Rita Chuey did.
Now she's an installer who works outdoors and on her own.

Give tradition a break, as well as yourself.

H. BING CROSBY

The world's pole vault record has leaped 2′ 10″ since fiber glass came along

In 1942, the vaulting record was 15′ 7-3/4″. Then fiber glass came along and today the record is 18′ 5-3/4″. In fact, Fiberglas/plastic is used in hundreds of sports products from surfboards to racing car bodies.

When you think of the new basic material, think fiber glass. And when you think of a great career opportunity, think Owens-Corning.

Owens-Corning is Fiberglas

To the students, faculty, and friends of Start High School:

I present to you the 1976-1977 **Shield** with much pride, but some apprehension. This book differs considerably from Start's past yearbooks, however, my staff and I feel that the **Shield** should change with the times.

The obvious "doors" theme has been presented in many ways. The theme has been carried out on the cover and division pages very evidently. We have also tried to display the theme with references to openings, closings, entrances, exits, etc. in headlines, copy blocks, and picture captions. In the area of lay-out, the overlapping vertical pictures used on the closing pages of each section, and numerous, strong verticals throughout the entire book were intentionally utilized to give the illusion of doorways. Illustration of theme is conspicuous in a great deal of photographs and a bit more abtruse in others. The "doors" message is conveyed in various other manners and I feel confident that you will take the time to find and appreciate each of these symbols and perhaps discover a few of your own.

Although some of the new variations may seem extreme, and not initially pleasing, the 1976-1977 **Shield** remains a conservative annual in the eyes of the world. In my opinion, Start is in the process of a transition period in yearbook publication. I trust that you will look favorably upon the changes made by future **Shield** staffs. I hope that this difficult year of crossing over helps to engender a 1977- 1978 **Shield** which possesses twice as much quality as this one.

Sincerely,

Chris

So a fantastic guy!
Talking about making
the show! Need I
say more. You were
great to work with
a lot of fun. I loved
the way you toured
Nancy around the stage!
That was really great.
I wish you a lot of
luck, lots of
love!

Ira,
To a really great guy
who seems to me to be the
best Student Teacher ever a
Start. Thanks for the help (you
were a friend of many students, I
know) Best Wishes & Good Luck
in all that life has in store for you.
Don't ever forget old Roy C. Start H.S.
and keep in Touch.

Ira,
what can I say?
You're fantastic!
You're a great student
teacher & a great friend
too. I'll ever
around, stop by
I wish you joy &
happiness always.

Love ya,

Gypsy Rose Lee

Ira,
Even though you
didn't make it to my
birthday party, you're still
okay. You did a great job
in the play. I wish I
would've taken Mod. Set.
this year instead of last.
Good Luck always. Hope to
see ya around!

Ina,

I'm sorry you have to leave tonight. I'm sure I feel about Charlene & Dave Kramer as you do. You'll have to keep in touch. Good luck always & I'll be thinking of you!

Love ya,
Nancy Kramer

Ina,

I'm a super-fantastic, loveable guy! I love ya so much, I'll never forget you. Meet ya 'round the corner (& you know what else!) Keep cool & stay the way you are. Party down.

all my love + more,
